Schedule

Preliminary

To the purchaser:

The purpose of a statement under section 7 of the *Land and Business (Sale and Conveyancing) Act 1994* is to put you on notice of certain particulars concerning the land to be acquired.

If you intend to carry out building work on the land, change the use of the land or divide the land, you should make further inquiries to determine whether this will be permitted. For example, building work may not be permitted on land not connected to a sewerage system or common drainage scheme if the land is near a watercourse, dam, bore or the River Murray and Lakes.

The *Aboriginal Heritage Act 1988* protects any Aboriginal site or object on the land. Details of any such site or object may be sought from the "traditional owners" as defined in that Act.

If you desire additional information, it is up to you to make further inquiries as appropriate.

Instructions to the vendor for completing this statement:

☐ *means the Part, Division, particulars or item may not be applicable.*

If it is applicable, ensure the box is ticked and complete the Part, Division, particulars or item.

If it is not applicable, ensure the box is empty or strike out the Part, Division, particulars or item. Alternatively, the Part, Division, particulars or item may be omitted, but not in the case of an item or heading in the table of particulars in Division 1 of the Schedule that is required by the instructions at the head of that table to be retained as part of this statement.

* *means strike out or omit the option that is not applicable.*

All questions must be answered with a YES or NO (inserted in the place indicated by a rectangle or square brackets below or to the side of the question).

If there is insufficient space to provide any particulars required, continue on attachments.

To the purchaser:

Right to cool-off (section 5)

1 - Right to cool-off and restrictions on that right

You may notify the vendor of your intention not to be bound by the contract for the sale of the land UNLESS -

(a) you purchased by auction; or

(b) you purchased on the same day as you, or some person on your behalf, bid at the auction of the land; or

(c) you have, before signing the contract, received independent advice from a legal practitioner and the legal practitioner has signed a certificate in the prescribed form as to the giving of that advice; or

(d) you are a body corporate and the land is not residential land; or

(e) the contract is made by the exercise of an option to purchase not less than 5 clear business days after the grant of the option and not less than 2 clear business days after service of this form; or

(f) the sale is by tender and the contract is made not less than 5 clear business days after the day fixed for the closing of tenders and not less than 2 clear business days after service of this form; or

(g) the contract also provides for the sale of a business that is not a small business.

2 - Time for service

The cooling-off notice must be served -

(a) if this form is served on you before the making of the contract - before the end of the second clear business day after the day on which the contract was made; or

(b) if this form is served on you after the making of the contract - before the end of the second clear business day from the day on which this form is served.

However, if this form is not served on you at least 2 clear business days before the time at which settlement takes place, the cooling-off notice may be served at any time before settlement.

Note - Section 5(3) of the *Land and Business (Sale and Conveyancing) Act 1994* places the onus of proving the giving of the cooling-off notice on the purchaser. It is therefore strongly recommended that -

(a) if you intend to serve the notice by leaving it for the vendor's agent at the agent's address for service or an address nominated by the agent, you obtain an acknowledgment of service of the notice in writing;

(b) if you intend to serve the notice by fax or email, you obtain a record of the transmission of the fax or email.

5 - Effect of service

If you serve such cooling-off notice on the vendor, the contract will be taken to have been rescinded at the time when the notice was served. You are then entitled to the return of any money you paid under the contract other than -

(a) the amount of any deposit paid if the deposit did not exceed $100; or

(b) an amount paid for an option to purchase the land.

Proceeding with the purchase

If you wish to proceed with the purchase -

(a) it is strongly recommended that you take steps to make sure your interest in the property is adequately insured against loss or damage; and

(b) pay particular attention to the provisions in the contract as to time of settlement - it is essential that the necessary arrangements are made to complete the purchase by the agreed date - if you do not do so, you may be in breach of the contract; and

Schedule-Division 3-Community lots and strata units ✓

Matters to be considered in purchasing a community lot or strata unit

The property you are buying is on strata or community title. There are **special obligations and restrictions** that go with this kind of title. Make sure you understand these. If unsure, seek legal advice before signing a contract. For example:

Governance

You will automatically become a member of the **body corporate**, which includes all owners and has the job of maintaining the common property and enforcing the rules. Decisions, such as the amount you must pay in levies, will be made by vote of the body corporate. You will need to take part in meetings if you wish to have a say. If outvoted, you will have to live with decisions that you might not agree with.

If you are buying into a mixed use development (one that includes commercial as well as residential lots), owners of some types of lots may be in a position to outvote owners of other types of lots. Make sure you fully understand your voting rights, see later.

Use of your property

You, and anyone who visits or occupies your property, will be bound by rules in the form of **articles or by-laws**. These can restrict the use of the property, for example, they can deal with keeping pets, car parking, noise, rubbish disposal, short-term letting, upkeep of buildings and so on. Make sure that you have read the articles or by-laws before you decide whether this property will suit you.

Depending on the rules, you might not be permitted to make changes to the exterior of your unit, such as installing a television aerial or an air-conditioner, building a pergola, attaching external blinds etc without the permission of the body corporate. A meeting may be needed before permission can be granted. Permission may be refused.

Note that the articles or by-laws **could change** between now and when you become the owner: the body corporate might vote to change them. Also, if you are buying before the community plan is registered, then any by-laws you have been shown are just a draft.

Are you buying a debt?

If there are unpaid contributions owing on this property, you can be made to pay them. You are entitled to **know the financial state of the body corporate** and you should make sure you see its records before deciding whether to buy. As a prospective owner, you can write to the body corporate requiring to see the records, including minutes of meetings, details of assets and liabilities, contributions payable, outstanding or planned expenses and insurance policies. There is a fee. To make a request, write to the secretary or management committee of the body corporate.

Expenses

The body corporate can **require you to maintain your property**, even if you do not agree, or can carry out maintenance and bill you for it.

The body corporate can **require you to contribute** to the cost of upkeep of the common property, even if you do not agree. Consider what future maintenance or repairs might be needed on the property in the long term.

Guarantee

As an owner, you are a **guarantor** of the liabilities of the body corporate. If it does not pay its debts, you can be called on to do so. Make sure you know what the liabilities are before you decide to buy. Ask the body corporate for copies of the financial records.

Contracts

The body corporate can make contracts. For example, it may engage a body corporate manager to do some or all of its work. It may contract with traders for maintenance work. It might engage a caretaker to look after the property. It might make any other kind of contract to buy services or products for the body corporate. Find out **what contracts the body corporate is committed to and the cost**.

The body corporate will have to raise funds from the owners to pay the money due under these contracts. As a guarantor, you could be liable if the body corporate owes money under a contract.

Buying off the plan

If you are buying a property that has not been built yet, then you **cannot be certain** what the end product of the development process will be. If you are buying before a community plan has been deposited, then any proposed development contract, scheme description or by-laws you have been shown could change.

Mixed use developments—voting rights

You may be buying into a group that is run by several different community corporations. This is common in mixed use developments, for example, where a group of apartments is combined with a hotel or a group of shops. If there is more than one corporation, then you should not expect that all lot owners in the group will have equal voting rights. The corporations may be structured so that, even though there are more apartments than shops in the group, the shop-owners can outvote the apartment owners on some matters. Make enquiries so that you understand how many corporations there are and what voting rights you will have.

Buyers information notice

Land and Business (Sale and Conveyancing) Act 1994 section 13A

Land and Business (Sale and Conveyancing) Regulations 2010 regulation 17

Before you buy a home there are a number of things that you should investigate and consider. Though it may not be obvious at the time, there could be matters that may affect your enjoyment of the property, the safety of people on the property or the value of the property.

The following questions may help you to identify if a property is appropriate to purchase. In many cases the questions relate to a variety of laws and standards. These laws and standards change over time, so it is important to seek the most up to date information. Various government agencies can provide up to date and relevant information on many of these questions. To find out more, Consumer and Business Services recommends that you check the website: www.cbs.sa.gov.au

Consider having a professional building inspection done before proceeding with a purchase. A building inspection will help you answer some of the questions below.

The questions have been categorised under the headings **Safety**, **Enjoyment** and **Value**, but all of the issues are relevant to each heading.

Safety

Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)

Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:
a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (https://1100.com.au) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

***Land Tax Act 1936* and *Regulations* thereunder**

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

Animal and Plant Control (Agriculture Protection and other purposes) Act 1986* and *Regulations

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

- The vendor about the known presence of proclaimed plants or animals on the property including details which the vendor can obtain from records held by the local animal and plant control board
- The local animal and plant control board or the Animal and Plant Control Commission on the policies and priorities relating to the control of any serious proclaimed plants or animals in the area where the property is located.

PRESCRIBED INFORMATION

Particulars relating to Environment Protection

Further information held by councils

Does the council hold details of any development approvals relating to—

(a) commercial or industrial activity at the land; or

(b) a change in the use of the land or part of the land (within the meaning of the *Development Act 1993*) or the *Planning, Development and Infrastructure Act 2016*?

*~~YES~~/NO

Note—

The question relates to information that the council for the area in which the land is situated may hold. If the council answers "YES" to the question, it will provide a description of the nature of each development approved in respect of the land. The purchaser may then obtain further details from the council (on payment of any fee fixed by the council). However, it is expected that the ability to supply further details will vary considerably between councils.

A "YES" answer to paragraph (a) of the question may indicate that a ***potentially contaminating activity*** has taken place at the land (see sections 103C and 103H of the *Environment Protection Act 1993*) and that assessments or remediation of the land may be required at some future time.

It should be noted that—

(a) the approval of development by a council does not necessarily mean that the development has taken place;

(b) the council will not necessarily be able to provide a complete history of all such development that has taken place at the land.

Item 6		
Accredited Contractors (Advice)		
To ensure compliance with work health and safety requirements to protect both contractors and Body Corporate's, Whittles only engage accredited contractors who comply with state and territory legislation. If the Body Corporate decides, by act or omission to engage a contractor who is not accredited with Whittles, the Body Corporate acts as the Person Conducting a Business or Undertaking, in regard to the common property for the purposes of occupational health and safety legislation. This means, that if the contractor engaged by the Body Corporate does not have the necessary accreditation, an injured party may seek damages from the Body Corporate. The Corporate Manager will only request quotations from, and instruct works to be undertaken on behalf of the Body Corporate, by accredited contractors. However, non-accredited contractor's invoices will be processed for payment only when instructed to do so by the Body Corporate Chairperson or a person authorised by the Body Corporate to do so.		

Item 7

The *Work Health and Safety Act 2012,* recognises that a Body Corporate's common property is a workplace, as such the Body Corporate is responsible for ensuring the workplace is free from hazard, as far as reasonably practicable. Many different areas are subject to annual compliance and the Body Corporate Manager may review at the meeting all Body Corporate obligations and where necessary, update any compliance reports required to be held on file. All legislative compliance reports will be reviewed promptly as required and any maintenance attended to in accordance with Australian Standards or Industry best practice using qualified and reputable practitioners. Motion 9		
Insurance Renewal	**Ordinary Resolution**	

PASSED BY SIMPLE MAJORITY that the Body Corporate Manager is to arrange quotes and/or renewal of the Body Corporate's insurance for a sum insured of $2,100,000 with the Authorised Representative of MGA Insurance Brokers Pty Ltd, who have an association with Whittles.
A Financial Services Guide is available on request.

Owners are reminded that where repairs are carried out under insurance and the repairs benefit a particular unit, the unit owner may be responsible for the payment of any excess subject to any explicit instructions to the contrary by the Body Corporate.

Whittles recommends consideration be given to the following additional cover options if not already included in the policy; office bearers liability, flood or catastrophe, electrical surge, loss of rent and machinery breakdown.

Contents Insurance
The Body Corporate Manager advises members of the necessity for them to arrange individually for adequate insurance for contents of their units, inclusive of carpets, drapes, light fittings, etc., whether or not the unit is occupied by the unit owner or tenant, and it was noted that the Body Corporate's Legal Liability cover applied primarily to common property and that unit owners should be separately insured for cover in relation to their own premises.

The Body Corporate's Certificate of Currency is available for viewing at whittles.com.au through your owner portal.

Passed by Simple Majority

Item 10		
General Business		

Window Repairs:
There was discussion concerning the necessary window repairs within the group. It was agreed that action needs to be taken to address this issue promptly. The manager will organise MINC Building to conduct a report/quote outlining the required works. MINC Building will be instructed to provide quotes for both single glazing and double-glazing options. Once the report and quotes are received, they will be used as specifications for sourcing an additional quote from another supplier. The owner of unit 1 informed the group about a potential supplier, Oknalux, for window repairs. However, it was noted that they are not part of Whittles" preferred contractor register. Therefore, Whittles cannot source a quote from them directly. The owner of unit 1 may liaise with them directly to obtain a separate quote if needed. Once the report and quotes are received, they will be reviewed by the group to determine the best course of action.

Fence at unit 1:
The owner of unit 1 advised the group that the fence at the rear of their property needs repairs. The Presiding Officer will check for potential tree root issues before proceeding with repairs.

Window at unit 6
The manager was instructed to set in motion getting this work done as a matter of urgency. Pursuant to the Strata Titles Act, 1988, Division 3 Section 28, the manager is empowered to organise and oversee the required work for resolution.

Applications: An application from Kylie (Unit 2, Oak Grove) to install a shade sail on her Balcony was approved.

28/11/01

External Doors, Window Frames and Flyscreens: Due to the possibility of maintenance costs to the units' external doors, windows and flyscreens being higher in some units than others due to excessive wear and tear, section 27 (6) of the Strata Titles Act 1988 (as amended) be invoked and the costs of such repairs and replacements be borne by the individual unit owners rather than the Corporation. Such items as repainting to be undertaken on a Corporation basis.

Applications and/or plans will be circularized with a voting return to all owners giving them 14 days in which to reply.

Any cost associated with an application to install or erect any such additions or alterations ego postage photocopying etc will be borne by the relevant unit owners, when the application for approval is made between General Meetings.

INTRODUCTION

We have estimated that the Sinking Fund Levies as proposed in this report will be adequate to accumulate sufficient funds to meet anticipated long term costs, with essentially only an adjustment for inflation being required.

REPORT SUMMARY

We have estimated that the Sinking Fund Levies as proposed in this report will be adequate to accumulate sufficient funds to meet anticipated long term costs, with essentially only an adjustment for inflation being required.

We recommend that the Sinking Fund Report be regularly updated to ensure that an accurate assessment of how the scheme land, building and facilities are aging and to incorporate into the Report any major changes brought about by legislation, or pricing.

The Sinking Fund Levy per entitlement already set is:	$444.44
Number of Lot/Unit Entitlements:	9
Opening Balance:	$5,704.81
The proposed Sinking Fund Levy per entitlement is:	$677.00

METHODOLOGY

The nominal forecast period of this report is 15 years and the costs anticipated during each of the years are detailed line by line on a yearly basis. The nominal time frame of the Report is to a large extent driven by the fact that many elements in a building's structure have a life beyond 10 years. Therefore an amount has been taken up for each item that would require replacement or substantial repair outside of the 15 year forecast period to account for these anticipated expenses. However, the manner in which the scheme land, buildings and facilities actually age cannot be accurately determined without regular inspections which take into account the size, location and use of the scheme.

The levy income has been determined by forecasting the expenditure requirement to replace or renew assets or finishes that have an effective life and making an allowance for items that do not have a finite lifespan. The levy income is initially increased each year by a variable inflationary factor to smooth the effects of major cost fluctuations given the initial fund balance and income.

Interest receivable on the Sinking Fund Account has been accounted for in the calculation of funds available at a rate of 0%.The Interest receivable amount has been determined by using a net rate of 0% on the fund balance at the end of the preceding financial year and makes an allowance for possible bank charges and tax obligations which may arise. Where the rate is set to 0% it is not anticipated that sufficient interest will be accrued.

Future replacement costs have been calculated by assessing the current replacement cost for each item to a standard the same or better than the original. These anticipated costs are increased each year at a rate of 5.2% per annum, this rate is reflective of building price indices which are historically higher than the general inflation rate. A contingency of 10% per annum has been applied to anticipated costs and it is applied to each individual cost in the year the cost (e.g. painting) is expected to occur (e.g. 2008), the contingency rate is not an annual compounding cost.

The effective life for each item identified is based on its material effective life, therefore no consideration has been made for the economic life of plant, equipment, finishes or upgrades.

No allowance has been made for buildings Registered for Goods and Services Tax (GST) and GST will need to be applied to the levies proposed in this report.

This report assumes that all plant and equipment will be maintained under comprehensive maintenance agreements. Expenditure incurred for maintenance agreements is taken to be covered within the Administrative Fund Budget.

REPORT INFORMATION

The values included in the report are for budgeting purposes and have been obtained from a number of sources including building cost information guides, painting contractors, plant and equipment suppliers, manufactures and installers and working knowledge of each buildings configuration at the time of inspection.

Every endeavour has been undertaken to accurately estimate the costs of the items identified in this report, however if there items were put to tender, it would be expected that the quotations would vary quite significantly and it is recommended that several quotations are sourced as far in advance of any anticipated work as possible.

The estimated life of each item is made at the time of the site inspection and the life cycles of each of the items having regard to where the building is located, as buildings in a salt environment tend to have a lesser life cycle and a higher maintenance requirement.

This sinking fund is not a building condition survey. We recommend that a periodic survey be carried out by qualified building contractors to assess the building condition, if required. The inspection of the common property of the scheme is a visual inspection only limited to those areas of the common property that are fully accessible and visible to the inspector from floor or ground level at the time of inspection. The inspection did not include breaking apart, dismantling, removing or moving any element of the building and items located on the common property.

The report does not and cannot make comment upon: defects that may have been concealed; the assessment of which may rely on certain weather conditions; the presence or absence of timber pests; gas fittings; heritage concerns; fire protection; site drainage; security concerns; detection and identification of illegal building work; durability of exposed finishes; the roof space and sub-floor space.

The inspector did not identify and assess safety hazards and did not carry out a risk assessment relating to any hazards upon the common property as part of this report. This report is not an Asbestos report and no assessment was made of asbestos products.

AREAS NOT INSPECTED

- Part or parts of the common property building interior that were not readily accessible
- Part or parts of the building exterior were not readily accessible
- Part or parts of the roof exterior that were not readily visible from ground or floor level or obstructed at the time of inspection because of exceeding height, vegetation or neighbouring buildings.
- Part or parts of the retaining walls, fencing were not readily accessible or inaccessible or obstructed at the time of inspection because of on alignment, vegetation.

What You should read

This Product Disclosure Statement (PDS) is an important document to help You understand this insurance, and Your rights and obligations under it. Please read it carefully before making a decision to purchase this Policy to ensure it provides the cover You need.

You should also carefully read:

- the Policy Wording that commences on page 12. It tells You about:
  - what makes up the insurance (i.e. Your contract with Us which We call a Policy);
  - important definitions that set out what We mean by certain words;
  - the cover We can provide under Sections 1 to 11;
  - what Excesses You may have to pay (see 'Payment of Excesses' below);
  - when You are not insured (see General Exclusions and other exclusions under Sections 1 to 11);
  - what You and We need to do in relation to claims (see "Claims procedures" in the Policy Wording and "Claims - basis of settlement" in Sections 1, 7, 8 and 10);
  - Your and Our cancellation rights (see "Cancelling Your Policy" in the Policy Wording).
- the relevant proposal form You, if so requested, need to complete to apply for cover;
- any Schedule (see definition under General Definitions in the Policy Wording) when it is issued to You; and
- any other documents (for example Supplementary PDSs or Endorsements) We may give You at or prior to Your entry into the Policy or when required or permitted by law that vary Our standard terms of cover set out in this document.

Summary of cover, significant benefits and risks

This Policy includes 11 separate Sections which allow You to select covers, and within each Section there are options which You can also select, subject to Strata Community Insurance agreeing to provide those covers.

The following is a summary only and as such does not form part of the terms of Your insurance. The examples detailed herein are some of the benefits and risks but You do need to read the Policy Wording which details the terms, conditions and exclusions of this insurance to make sure it matches Your expectations.

Claims Made Notice

Section 6 of the Policy operates on a 'claims made and notified' basis. This means that, subject to the provisions of **Section 6**, where You give notice in writing to Us of any facts that might give rise to a claim against You as soon as reasonably practicable after You become aware of those facts but before the expiry of the Period of Insurance, You may have rights under Section 40(3) of the *Insurance Contracts Act 1984* (Cth) to be indemnified in respect of any claim subsequently made against You arising from those facts notwithstanding that the claim is made after the expiry of the Period of Insurance.

Any such rights arise under the legislation only, in that the terms of the Policy and the effect of the Section, subject to the continuous cover special conditions, is that You are not covered for claims made against You after the expiry of the Period of Insurance.

What You are covered for / *not covered for* ⚠

Section 6 - Office bearers liability

Section 7 provides cover against the breakdown of electrical, electronic and mechanical plant.

Section 8 - Catastrophe insurance

Section 8 covers the unforseen increase in the Replacement cost of Your Building following the happening of a catastrophe from an event for which the Insurance Council of Australia issues a catastrophe code.

Part B - the cost of appealing against common property health and safety breaches;

Part C - the cost of defending specific litigation (see pages 46-49) brought against You other than as covered under **Sections 2** and **6**. A special Excess and contribution payment applies to **Part C** and You should refer to the examples contained on page 47.

Section 10 – Lot Owners' fixtures and fittings

Lot Owners occasionally replace existing or install additional fixtures and fittings in their Lot without Your Strata Community knowledge.

When this occurs the cost of these improvements may not be included when arriving at the building replacement cost, thus increasing the possibility of under-insurance in the event of a major loss.

Docusign Envelope ID: DC53D3ED-00EC-40FD-B68D-B7ADD3BEA8E2

This Section 10 covers the Replacement cost of such installations following Loss or Damage covered under **Section 1**. There is a limit to the amount We pay (up to 10% of the Sum Insured) and the cover is also subject to the terms, conditions and exclusions of **Section 1** and the General Exclusions.

Section 11 - Loss of Lot market value

Section 11 covers the reduction in the market value of a Lot or Lots following a total loss or constructive total loss, or partial loss of Your Insured Property when permission to rebuild is limited or restricted by any Public or Statutory Authority that results in all or some Lot titles being terminated.

Please read the appropriate Sections in the Policy Wording for full details of the terms, conditions, exclusions and limits that apply to all sections and how We settle claims.

Other important information

Some other important things to remember are:

- Keep records such as receipts, invoices or other evidence of ownership and value of property that You insure as proof of ownership and value should You have to make a claim.
- When Your Insured Property is a total loss and We have paid out the total Sum Insured, the cover under **Section 1** ceases. If You rebuild or replace Your Insured Property, You will need to take out new cover and pay the applicable Premium.
- Pay Your Premium on time because if it is not paid by the due date or Your payment is dishonoured, Your Policy may be cancelled in accordance with the process set out in the "Cancelling Your Policy" section. Strata Community Insurance will give You written notice of cancellation.
- Throughout the Period of Insurance and when renewing Your insurance with Us You must advise if circumstances relevant to Your Policy have changed where You know, or ought reasonably to have known, that the change is relevant to Our decision to insure You and the terms on which We will insure You. Strata Community Insurance will notify You in writing of any proposed effect a change may have on Your existing insurance or its renewal. We may cancel Your Policy if there is a change and We can't reach an agreement with You on altered terms and conditions or Premium, or We are no longer prepared to insure You because there has been a material change to the risk.

Further We may also cancel Your Policy as permitted by law or refuse to pay or reduce the amount We pay under a claim to the extent We are prejudiced by Your non-compliance if You:

- do not comply with the cover conditions as detailed in the Policy Wording;
- do not comply with Your duty of disclosure; or
- make a fraudulent claim.

Monetary limits on cover

We can insure You up to the amount of the Sum Insured or other specified limits for Your Insured Property. These amounts are specified in the relevant clauses in the Policy Wording or on the Schedule.

Covers for Liability to others, Office Bearers Liability, Machinery Breakdown and Government Audit Costs and Legal Expenses insure You up to a set Sum Insured that is shown on the Schedule.

Review Your sums insured regularly

You need to make sure You are happy with the relevant sum(s) insured and limits.

If You do not adequately insure yourself You may have to bear the uninsured proportion of any loss yourself.

For example, if You don't have a sufficient Sum Insured to replace Your Insured Property at new cost You will bear the shortfall. The cost of demolition and removal of debris from the site, and other costs such as the cost of employing an architect or surveyor, the replacement of other structures such as driveways, roadways, kerbing, above and below ground services should all be included in the Sum Insured. If You are unsure whether Your Insured Property is insured for the correct amount, You should seek professional advice.

You should also advise Strata Community Insurance of any changes in the details of the information You have given Us such as alterations or extensions to Your Insured Property. If You do not do so Your insurance may not be sufficient.

Payment of Excesses

Excesses may apply to any claim under this insurance.

An Excess is an amount You may have to pay as a contribution to each claim You make under this insurance policy. The Excesses that are applicable are shown on the Schedule, and/or within the relevant Sections.

An Excess will be applied for each incident where a claim is made.

We will tell You the amount of any Excess when You apply for cover. They may vary according to a number of factors, such as Your risk location and Your insurance history.

Goods and Services Tax (GST) Notice

The Policy Wording part has provisions relating to GST that You should read in full (see Goods and Services Tax on page 15). In summary, they are as follows:

- The amount of Premium payable by You for this Policy includes an amount on account of the GST on the Premium (including any administration fee charged by Strata Community Insurance).
- The Sum Insured and other limits of insurance cover shown on Your Policy documentation are GST inclusive.

Docusign Envelope ID: DC53D3ED-00EC-40FD-B68D-B7ADD3BEA8E2

- When We pay a claim, Your GST status will determine the maximum amount We pay You.

There may be other taxation implications affecting You, depending upon Your own circumstances. We recommend that You seek professional advice.

Applying for cover

When You apply for cover under this Policy We may, based on the information You provide, be able to offer cover and terms specific to You. Once We have agreed to cover You We will issue You with a Schedule confirming this, including the following information:

- the Sum Insured and Situation of Your Insured Property;
- Excess(es) applicable;
- Premium including taxes and charges and any administration fee charged by Strata Community Insurance.

The cost of this insurance

In order to calculate Your Premium, We take various factors into consideration, including:

- the cover required and sum(s) insured;
- the address of Your Insured Property;
- Your insurance history;
- the security features of Your Insured Property.

The Premium also includes amounts payable in respect of compulsory government charges including Stamp Duty, GST, any Fire Service Levy (where applicable) and Strata Community Insurance's administration fee (see their Financial Services Guide for details).

When You apply for this insurance, You will be advised of the Premium. If You choose to effect cover, the amount will be set out on the Schedule.

Cooling off period

You have twenty-one (21) days after buying or renewing Your Policy to decide if it meets Your needs and You wish to continue with the insurance. If You notify Us in writing within this period that You wish to cancel Your Policy as from its start date, We will refund Your Premium less any government taxes or duties that are non-refundable or remain payable by Us.

This cooling off right does not apply if You have made or are entitled to make a claim.

Even after the cooling off period ends You still have cancellation rights, however We may deduct certain amounts from any refund (see "Cancelling Your Policy" in the Policy Wording).

Your duty of disclosure

Before You enter into a contract of general insurance with Us, You have a duty, under the *Insurance Contracts Act 1984* (Cth), to disclose to Us every matter that You know, or could reasonably be expected to know, is relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to Us before You renew, extend, vary or reinstate a contract of general insurance.

This duty of disclosure applies until the contract is entered into (or renewed, extended, varied or reinstated as applicable).

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by Us; or
- that is of common knowledge; or
- that We know or, in the ordinary course of Our business as an insurer, ought to know; or
- as to which compliance with Your duty is waived by Us.

Non-disclosure

If You fail to comply with Your duty of disclosure, We may be entitled to reduce Our liability under the contract in respect of a claim, cancel the contract, or both.

If Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

The General Insurance Code of Practice

The General Insurance Code of Practice was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry.

The Code Governance Committee (CGC) is an independent body that monitors and enforces insurers' compliance with the Code.

You can obtain more information on the Code of Practice and how it assists You by contacting Strata Community Insurance. Contact details are provided on the back cover of this PDS.

For more information on the Code Governance Committee (CGC) go to **https://insurancecode.org.au/**

How to make a claim

You should contact Strata Community Insurance as soon as reasonably possible to advise of any incident that could lead to a claim. If You do not, We may reduce or deny Your claim to the extent We are prejudiced by Your delay.

Having the required documentation and if possible photographs of the items will assist in having Your claim assessed and settled.

In order to be sure that You are covered under this Policy You should always contact Us for approval before You incur costs You wish to claim. If You do not, We will pay for costs incurred up to the amount We would have authorised had You sought approval from Us first.

Docusign Envelope ID: DC53D3ED-00EC-40FD-B68D-B7ADD3BEA8E2

When You make a claim You must:

- provide details of the incident and when requested complete the claim form We send You;
- allow Us or Strata Community Insurance to inspect Your Insured Property at reasonable times and frequency and take possession of any damaged item for reasonable purposes and in any reasonable manner;
- take all reasonable steps to reduce the Loss or Damage and prevent further Loss or Damage;
- inform the police as soon as reasonably possible following theft, vandalism, malicious damage or misappropriation of money or property;
- take reasonable steps to keep any damaged items. To ensure You are covered, please contact Us or Strata Community Insurance for approval before any disposal; and
- not get repairs done, except for essential temporary repairs, until We or Strata Community Insurance give You authority and subject to Our and Strata Community Insurance's right to choose the repairer or supplier. Please contact Us to confirm approval for these costs.

These are only some of the things that You must do if making a claim. Please refer to "Claims procedures" in the Policy Wording part which sets out claims information and what You must do if making a claim.

Complaints

If You are dissatisfied with Our service in any way, please contact Us and We will attempt to resolve the matter in accordance with our internal dispute resolution procedures.

If We do not make a decision within the period that We tell You We will respond, We will tell You about Your right to lodge a complaint with an external dispute resolution scheme.

Terrorism Insurance Act

We have determined that the Policy (or part of it) is a policy to which the *Terrorism Insurance Act 2003* (Cth) ("Act") may apply. We may elect to reinsure part or all of Our liability under the Act with the Commonwealth Government reinsurer, the Australian Reinsurance Pool Corporation (ARPC).

As a consequence, We may be required to pay a premium to ARPC and that amount (together with the cost of that part of the cover provided by Us and administrative costs associated with the Act) is reflected in the premium charged to You. As with any other part of Our premium, it is subject to government taxes and charges.

Where We determine that the Policy (or part of it) may become a policy to which the Act may apply as a result of indexation of the Sum Insured during the Period of Insurance as provided on page 13 of the PDS, We may also charge You a pro rata premium for the time during the Period of Insurance that the Policy may be a policy to which the Act applies.

Applicable ARPC amounts will be shown separately on the Schedule and are subject to government taxes and charges.

Important information

It is very important that You read the Policy carefully and make sure You are satisfied with this insurance.

What makes up this Policy

This Policy Wording, the Schedule and any Endorsements:

- must be read together as they form Your insurance contract;
- set out what You are insured for and those circumstances where You will not be insured.

Some words and expressions have been given a specific meaning in this Policy and You will find their meaning in the General Definitions and individual Section Special Definitions.

Payment of Premium

Provided We receive the Premium, We will insure You as set out in this Policy and the Schedule.

You may elect to pay Your Premium annually in one payment or by instalments.

Payment by Instalment

When You elect to pay Your Premium by instalments by way of a direct debit from Your credit card or financial institution these payments will be deducted on the date or frequency nominated. You must tell Us, not later than seven (7) days before Your next instalment is due, if these details change.

If Your credit card provider or financial institution dishonours a direct debit payment due to lack of funds in Your account, or any other reason. We may charge You for any direct and indirect costs that We incur arising from Your payment being dishonoured.

You must ensure that Your instalments are paid on time. We will notify You if an instalment has not been paid and We will try to deduct the overdue amount along with Your next regular payment. If the next attempt to deduct the outstanding amount fails, We will cancel Your policy for non-payment. We will send You a notice advising You of cancellation, and cancellation will be effecting 14 days from the date of this notice.

Adjustments on renewal

Notice

At least fourteen (14) days before Your Policy expires, We will send You a renewal Schedule detailing any changes to Your Sums Insured, Premium and charges, and if any, changes to the terms, conditions and Excesses that previously applied.

You should carefully check all these details and promptly advise Strata Community Insurance if You wish to vary any of the limits.

Indexation

If Your Insured Property suffers Loss or Damage during the Period of Insurance We will increase Your Sum Insured under **Section 1 Part A - 1** and **2** by reference to the Cordell Housing Index Price (CHIP) increase since the start date of the current Period of Insurance.

Docusign Envelope ID: DC53D3ED-00EC-40FD-B68D-B7ADD3BEA8E2

On renewal We will increase Your Sums Insured under **Section 1 Parts A** and **B** and **Section 8** by reference to the Cordell Housing Index Price (CHIP) increase during Your previous Period of Insurance.

The renewal Schedule We send You will show Your updated Sums Insured and the Premium applicable thereto. You should promptly advise Strata Community Insurance should You wish to vary these updated Sums Insured.

Indexation does not apply:

i. *if Your Sums Insured under **Section 1 Parts A** and **B** and **Section 8** exceed $100,000,000 in total;*

ii. *to any other policy limit contained in **Sections 1** and **8**.*

Instalment payments

If paying by instalments, We will automatically continue Your cover on the terms contained in the renewal offer We send You. We will, unless You advise Us to the contrary, continue to deduct Your instalment payments during the next Period of Insurance.

If a claim occurs in the previous Period of Insurance and You do not notify Us until after the Premium and other conditions for the next Period of Insurance are determined We may propose an additional Premium in order to maintain cover. We may cancel Your policy if there is a change and We can't reach an agreement with You on altered terms and conditions or premium, or We are no longer prepared to insure You because there has been a material change to the risk. This condition does not affect any other rights that We have, including the rights We have under Your duty of disclosure.

Loyalty discount

Based on Your claims experience and the length of time Your Policy has been continuously insured with Us You may be entitled to a loyalty discount which will apply automatically to the base premium. The amount of Your discount will vary depending on how long You have held a continuously insured claims free Policy with Us. The discount will only apply to the extent any minimum premium is not reached. Your Schedule will show when You qualify for a loyalty discount.

You must disclose all previous claims

You are asked at the time You take out this insurance to give Us full and correct details concerning any:

- renewal or insurance Policy declined, cancelled or refused, or where any Excess was imposed;
- claim refused by an insurer;
- claim made;

in relation to You because any of these may affect the Premium and extent of insurance.

For example We may be entitled to:

- charge You an additional Premium;
- impose (back dated) restrictions declining Your insurance back to when this information should have been advised to Us;
- decline to insure You;
- refuse a claim.

When renewing Your Policy with Us You must also advise Us of any changes to Your claims or insurance history. We will notify You in writing of the effect a change may have on Your renewal.

Claims procedures

1. What You must do

As soon as You discover that something has happened that is likely to result in a claim, You must:

(a) take all reasonable steps to reduce Loss or Damage and to prevent any further Loss or Damage;

4. Approval needed for repairs

You should not commence repairs without Our approval except for essential temporary repairs permitted under Event 1) h) of **Part A** of **Section 1**. Please contact Us to confirm approval for these costs.

5. Repairs or Replacement

We have the right to nominate the repairer or supplier to be used. If after We have assessed Your claim, You are required to enter into a contract with a third party to replace or reinstate Loss or Damage to Insured Property that We have agreed to pay You will enter into that agreement with the third party as Our agent unless We otherwise advise in writing.

6. You must assist Us

Before We will pay anything under this Policy, You must:

(a) comply with all the requirements of this Policy. We may reduce or refuse Your claim to the extent We are prejudiced by Your non-compliance;

(b) give Us all information and assistance which We reasonably require in relation to the claim and any proceedings; and

(c) allow Us access to any and all documents that We reasonably require to ascertain the maintenance history of the Building.

7. False or misleading information

We may deny part or all of Your claim if You are not truthful and frank in any statement You make in connection with a claim or if a claim is fraudulent or false in any respect.

We may also report any suspected fraudulent act to the Police for further investigation.

8. Claim administration and legal proceedings

When a claim is admitted under this Policy, We have the right at Our discretion to exercise all Your legal rights relating to the claim and to do so in Your name.

We will take full control of the administration, conduct or settlement of the claim including any recovery or defence that We may consider is necessary.

We will act reasonably having regard to Your interests, and will keep You informed if You ask Us to.

9. Salvage value

We are entitled to any salvage value on recovered items and damaged items that have been replaced.

At Our discretion (and if safe to do so), You may reclaim the item if You agree to pay the salvage price.

10. Contribution

Where a claim covered under this Policy is also insured elsewhere, We may exercise Our right to seek contribution from the other insurer or insurers.

Acts or omissions of Your Strata Community Manager

We will not deny liability for a claim, or reduce the amount of a claim, if Our right of denial or reduction is solely caused by an act, error or omission of Your Strata Community Manager while acting on Your behalf.

Cancelling Your Policy

(a) You may cancel all or part of this Policy at any time by giving Us notice in writing.

(b) We may cancel this Policy on any of the grounds set out in the *Insurance Contracts Act 1984* (Cth) and We will always tell You of this in writing.

(c) When We have agreed to accept payment of Premium by instalments, You must ensure that they are paid on time. We will notify You if an instalment has not been paid and We will try to deduct the overdue amount along with Your next regular payment. If the next attempt to deduct the outstanding amount fails, We will cancel Your policy for non-payment. We will send You a notice advising You of cancellation, and cancellation will be effecting 14 days from the date of this notice.

(d) On cancellation, a refund of Premium will be calculated equal to the unexpired period of this Policy less any non-refundable Government charges and any component of the Premium relating to levies where applicable.

(e) Where We have paid the total Sum Insured on a claim under any Section, that Section of Your Policy with Us is deemed to have been fulfilled and there is no refund of any Premium.

Goods and Services Tax (GST) Notice

The amount of Premium payable by You for this Policy includes an amount on account of the Goods and Services Tax (GST) on the Premium.

When We pay a claim, Your GST status will determine the amount We pay.

When You are:

(a) not registered for GST:

We will pay up to the Sum Insured, limit of indemnity or other Policy limit including GST.

(b) registered for GST:

(i) and We have arranged services directly with the service provider, We will pay up to the relevant Sum Insured or other policy limit including GST

(ii) when We settle direct with You We will pay up to the

Docusign Envelope ID: DC53D3ED-00EC-40FD-B68D-B7ADD3BEA8E2

Sum Insured, limit of indemnity or other Policy limit and where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim We will pay for the GST amount but We will reduce the GST amount We pay by the amount of any Input Tax Credits to which You are or would be entitled.

You must advise Us of Your correct Australian Business Number and Input Tax Credit Entitlement. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the Sum Insured or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Input Tax Credit Entitlement is Your entitlement to an Input Tax Credit on Your Premium as a percentage of the total GST on that Premium.

Any Excess applying to Loss or Damage caused by an earthquake or seismological disturbance that occurs during any one period of seventy two (72) consecutive hours will be considered as one Event and not within the period of any previous Event.

Special conditions that apply to Part C

1. Appeal procedure

If You are dissatisfied with any decision made by a Court or Tribunal and wish to appeal against that decision, You must:

(a) make a further written application to Us for Our written consent at least five (5) clear business days prior to the expiry of the time for instituting an appeal; or

(b) if the time allowed by law to appeal is less than five (5) clear business days, You must advise Us as soon as practicable.

Your application or advice must state the reasons, as fully as possible, for making an appeal.

If We are dissatisfied with any decision made by a Court or Tribunal and wish to appeal that decision You must reasonably co-operate with Us in the bringing of such an appeal. In this event We will pay all costs involved.

2. Bill of costs

You must forward Us all bills of costs or other

Docusign Envelope ID: DC53D3ED-00EC-40FD-B68D-B7ADD3BEA8E2

communications relating to fees and expenses as soon as practicable after receipt by You. If requested by Us, You will instruct the Appointed Representative to submit the bill of costs for taxation or adjudication by any relevant professional body, Court or Tribunal.

You must not without Our written approval enter into any agreement with the Appointed Representative as to the level of fees and expenses to be charged. Further You must not represent to the Appointed Representative that all fees and expenses charged to Your account are insured by this Policy.

3. **Consent**

   We will not be liable to indemnify You unless You have first obtained Our specific written consent to incur Legal Defence Expenses in the defence of any claim made or brought against You. Please contact Us to confirm consent to these Legal Defence Expenses. The granting of any such consent will not be unreasonably withheld.

4. **Information to be given to the appointed representative**

   You will at all times and at Your own expense give to the Appointed Representative all such information and assistance as reasonably required. You will take reasonable steps to ensure that You give a complete and truthful account of the facts of the case, supply all documentary and other evidence in Your possession relating to the claim, obtain and sign all documents required to be obtained and signed and attend any meetings or conferences when requested.

5. **Jurisdiction**

   Any dispute arising out of or under this Policy will be subject to determination by any Court of Competent Jurisdiction within Australia according to the law applicable to that Jurisdiction.

6. **Nomination of appointed representative**

   You may request Us to nominate a solicitor to act as Your Appointed Representative or if You elect to nominate Your own solicitor to act as the Appointed Representative, You must submit the name and address of that solicitor to Us. We may accept or refuse such nomination and We cannot unreasonably withhold Our consent.

   If agreement cannot be reached on the appointment the President of the Law Society within Your State will be requested to nominate an Appointed Representative. During this period We will be entitled but not bound to instruct an Appointed Representative on Your behalf if We consider it necessary to do so to safeguard Your immediate interests.

   In all cases the Appointed Representative will be appointed in Your name and will act on Your behalf.

7. **Offer of settlement**

   You must inform Us as soon as reasonably possible if You receive an offer to settle a claim. If You do not, We may reduce or deny Your claim to the extent We are prejudiced by Your delay.

   If such offer of settlement is, in Our judgment, considered to be fair and reasonable and You withhold Your agreement to such a settlement and elect to continue legal proceedings Our liability will not exceed the amount of Legal Defence Expenses incurred up to the date of such settlement offer.

   Further if You refuse a recommendation by the Appointed Representative to settle a claim and elect to continue legal proceedings, Our liability will not exceed the amount of Legal Defence Expenses incurred up to the date of such refusal.

8. **Our access to the appointed representative**

   You will do all things reasonably necessary to allow Us to obtain from the Appointed Representative any information, report documents or advice relating to the claim. However You will not be prejudiced if the Appointed Representative refuses to make such information, report documentation or advice available to Us on the grounds that to do so might prejudice Your interests in any litigation that is involved or may be commenced.

9. **Recovery of legal defence expenses**

   If You are awarded costs, You must take all reasonable steps to recover such fees and expenses for which You are indemnified by **Part C**. All such fees and expenses actually recovered will be taken into account when calculating Our liability.

10. **Reporting and notice**

    A specific claim will be considered to have been first reported to Us at the time You first give written notice to Us of the receipt of written or oral notice from any party or entity that it is the intention of such party or entity to hold You responsible for a civil or criminal act.

11. **Subrogation**

    In the event of a payment under **Part C** to You or on Your behalf We will, subject to the *Insurance Contracts Act 1984* (Cth), be subrogated to all Your rights of recovery of Legal Defence Expenses against all persons or organisations and You will take reasonable steps to execute and deliver instruments and papers and to do all that is necessary to assist Us in the exercise of such rights.
