Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Having considered what has recently sold, including land size, bedroom, bathroom, land size, age of build and the school zoning. I believe there that there are fewer than three sales that meet the requirements within the 6 preceeding months to be considered sufficently comparable.
I have determined the estimated selling range on my professional assessment of the property, together with market feedback.
