Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the home being a brand new single storey build, I don't believe that any of the properties sold recently are comparable at all, I have come up with $1,700,000-$1,870,000 based on what it would cost to buy land, build the property, plus holding costs etc.
