Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

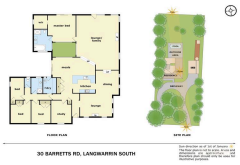

There were no other properties of similar age, land size and beds and baths. Other acreage homes in the area are more modern or renovated compared to 155 Barretts.Sourced RPdata.

Sale Outcome
