Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Within the preceding 18-month sales period, there have been no suitable comparable property sales identified that accurately reflect the subject property's unique characteristics. Its waterfront position, substantial dwelling size and overall features distinguish it from other properties sold in the area, making it difficult to establish a direct and reliable comparison.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
