Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The estimated selling price of $795,000 for 2845 Bairnsdale-Dargo Road, Glenaladale reflects the property's unique dual-cottage configuration, versatile accommodation and attractive 2.460-hectare lifestyle setting. The combination of two self-contained cottages, an additional separate bedroom, quality renovations, solar power, water storage and workshop facilities contributes to its overall appeal. The established trees provide privacy and a peaceful environment, while the grazing potential adds further versatility for hobby farming or lifestyle pursuits. With no recent directly comparable sales within a 5km radius, the price has been determined through consideration of the property's distinctive improvements, land size, location and broader lifestyle property market conditions. The proposed price reflects the property's rarity, flexibility and appeal to a niche buyer market.
