Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The proposed sale price of **$367,000** for 7 OBrien Street, Bairnsdale, reflects the property's established location, substantial 759sqm (approx.) allotment and potential for future improvements. The existing one-bedroom dwelling offers comfortable accommodation, including a renovated kitchen, split system heating and cooling, and a secure yard with carport. While the modest size of the home has been considered in determining value, the generous landholding provides opportunities for extension, additional shedding or potential development (STCA). Conveniently located near the hospital, schools and recreational facilities, the property appeals to first home buyers, investors and those seeking a project with future upside. The proposed price reflects the balance between the home's current improvements, underlying land value and potential for further enhancement.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
