Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The estimated selling price of $585,000 for 7 Upland Street, Lindenow South, has been determined following consideration of the property's land size, improvements, overall condition and position within the local market. Situated on an approximately 1,800sqm allotment, the property offers four bedrooms, two bathrooms and the appeal of a peaceful rural setting within convenient reach of Bairnsdale. Recent improvements, including a brand-new kitchen and updated bathrooms, contribute positively to its overall presentation and market appeal. Additional features such as the wood fireplace, split system air conditioning, double carport and substantial rear shed further support the property's value. The combination of residential accommodation, extensive outdoor space and established improvements has been considered in determining the estimated selling price of $585,000.
