Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The estimated selling price of $485,000 for 28 Tarra Drive, Lakes Entrance has been determined with consideration of the property's approximately 774m² allotment, direct water frontage and desirable waterfront location. The property's proximity to deep water moorings, peaceful outlook and convenient access to the Lakes Entrance township further enhance its appeal. Vacant waterfront allotments of this nature offer a unique opportunity for buyers seeking to build a substantial residence and enjoy the Gippsland Lakes lifestyle. With no recent directly comparable sales within a 5km radius, the estimated selling price has been established through an assessment of the property's land size, waterfront attributes, location, scarcity and current market conditions.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
