Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The proposed selling price of **$1,100,000** reflects the property's appealing combination of approximately 10 acres, a spacious and well-presented family residence, and its convenient location just ten minutes from Bairnsdale. The four-bedroom, two-bathroom farmhouse offers multiple living areas, an oversized main bedroom with retreat, updated interiors and expansive outdoor entertaining spaces. Additional improvements, including shedding, fenced paddocks, two dams and solar panels, further enhance the property's functionality and rural lifestyle appeal. The established setting, attractive outlooks and proximity to town contribute to its overall desirability. With no recent directly comparable sales within a 5km radius identified, the proposed price considers the property's landholding, improvements, presentation and lifestyle attributes, positioning it competitively within the rural lifestyle market.
