Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The estimated selling price of $729,000 for 94 Phiddians Lane, Goon Nure has been determined with consideration given to the property's substantial landholding of approximately 30 acres, its unique off-grid infrastructure, dwelling improvements and desirable rural location. The three-bedroom, three-bathroom residence, additional loft spaces, new solar and battery system, substantial water storage, dam and quality fencing contribute to the property's overall appeal and value. Its proximity to the Gippsland Lakes, Paynesville and Bairnsdale further enhances its lifestyle appeal. With no recent directly comparable sales identified within a 5km radius, the price has been assessed based on the property's individual attributes, land size, improvements and broader rural lifestyle market conditions. These factors support the estimated selling price of $729,000.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
