Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The asking price of $669,000 for 70 Gold Ring Road, Lakes Entrance reflects the property's substantial 1,248sqm allotment, ocean outlook, family accommodation and desirable coastal location. Offering four bedrooms, functional living spaces and an enclosed alfresco area, the home provides flexibility for families and lifestyle buyers alike. Additional features, including an above-ground swimming pool, large two-bay shed, extensive vehicle parking and established gardens, further contribute to its overall appeal. Its proximity to the Gippsland Lakes, 90 Mile Beach, local amenities and recreational facilities enhances its lifestyle value. Taking into consideration the property's land size, improvements, location and overall offering within the Lakes Entrance market, the asking price is considered reasonable and appropriate.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
