IMPORTANT NOTICE TO VENDORS AND PURCHASERS
Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS
The owners of certain types of buildings and strata lots must have smoke alarms, or in certain cases heat alarms, installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION
Before purchasing land that includes residential premises, within the meaning of the *Home Building Act 1989,* Part 8, Division 1A, built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation, within the meaning of the *Home Building Act 1989*, Part 8, Division 1A. In particular, a purchaser should—

(a) search the Register required to be maintained under the *Home Building Act 1989*, Part 8, Division 1A, and

(b) ask the relevant local council whether it holds records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation, including areas in which residential premises have been identified as containing loose-fill asbestos insulation, contact NSW Fair Trading.

4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.

5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.

12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the Australian Taxation Office.

2 Deposit and other payments before completion

2.1 The purchaser must pay the deposit to the *depositholder* as stakeholder.
2.2 *Normally*, the purchaser must pay the deposit on the making of this contract, and this time is essential.
2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.
2.4 The purchaser can pay any of the deposit by –
2.4.1 giving cash (up to $2,000) to the *depositholder*;
2.4.2 unconditionally giving a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder*; or

2.7 If the vendor accepts a *deposit-bond* for part of the deposit, clauses 2.1 to 2.5 apply only to the balance.
2.8 If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor directs, it is a charge on the land in favour of the purchaser until *termination* by the vendor or completion, subject to any existing right.
2.9 If each *party* tells the *depositholder* that the deposit is to be invested, the *depositholder* is to invest the deposit (at the risk of the *party* who becomes entitled to it) with a *bank*, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the *parties* equally, after deduction of all proper government taxes and financial institution charges and other charges.

3 Deposit-bond

3.1 This clause applies only if the vendor accepts a *deposit-bond* for the deposit (or part of it).
3.2 The purchaser must provide the *deposit-bond* to the vendor's *solicitor* (or if no solicitor the *depositholder*) at or before the making of this contract and this time is essential.

3.6 Clauses 3.3 and 3.4 can operate more than once.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

3.7 If the purchaser *serves* a replacement *deposit-bond*, the vendor must *serve* the earlier *deposit-bond*.
3.8 The amount of any *deposit-bond* does not form part of the price for the purposes of clause 16.5.
3.9 The vendor must give the purchaser any original *deposit-bond* –

4 Electronic transaction

4.1 This *Conveyancing Transaction* is to be conducted as an *electronic transaction* unless –
4.1.1 the contract says this transaction is a *manual transaction*, giving the reason, or
4.1.2 a *party serves* a notice stating why the transaction is a *manual transaction*, in which case the *parties* do not have to complete earlier than 14 days after *service* of the notice, and clause 21.3 does not apply to this provision,
and in both cases clause 30 applies.
4.2 If, because of clause 4.1.2, this *Conveyancing Transaction* is to be conducted as a *manual transaction* –
4.2.1 each *party* must –
- bear equally any disbursements or fees; and
- otherwise bear that *party's* own costs;

incurred because this *Conveyancing Transaction* was to be conducted as an *electronic transaction*; and
4.2.2 if a *party* has paid all of a disbursement or fee which, by reason of this clause, is to be borne equally by the *parties*, that amount must be adjusted under clause 14.
4.3 The *parties* must conduct the *electronic transaction* –
4.3.1 in accordance with the *participation rules* and the *ECNL*; and
4.3.2 using the nominated *ELN*, unless the *parties* otherwise agree. This clause 4.3.2 does not prevent a *party* using an *ELN* which can interoperate with the nominated *ELN*.
4.4 A *party* must pay the fees and charges payable by that *party* to the *ELNO* and the *Land Registry*.
4.5 *Normally,* the vendor must *within* 7 days of the contract date create and *populate* an *Electronic Workspace* with *title data* and the date for completion*,* and invite the purchaser to the *Electronic Workspace*.
4.6 If the vendor has not created an *Electronic Workspace* in accordance with clause 4.5, the purchaser may create and *populate* an *Electronic Workspace* and, if it does so, the purchaser must invite the vendor to the *Electronic Workspace.*
4.7 The *parties* must, as applicable to their role in the *Conveyancing Transaction* and the steps taken under clauses 4.5 or 4.6 –
4.7.1 promptly join the *Electronic Workspace* after receipt of an invitation;
4.7.2 create and *populate* an *electronic transfer*;
4.7.3 invite any *discharging mortgagee* or *incoming mortgagee* to join the *Electronic Workspace*; and
4.7.4 *populate* the *Electronic Workspace* with a nominated *completion time*.
4.8 If the transferee in the *electronic transfer* is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for that transfer.
4.9 The vendor can require the purchaser to include a covenant or easement in the *electronic transfer* only if this contract contains the wording of the proposed covenant or easement, and a description of the land burdened and benefited.
4.10 If the purchaser must make a *GSTRW payment* or an *FRCGW remittance*, the purchaser must *populate* the *Electronic Workspace* with the payment details for the *GSTRW payment* or *FRCGW remittance* payable to the Deputy Commissioner of Taxation at least 2 *business days* before the date for completion.
4.11 Before completion, the *parties* must ensure that –
4.11.1 all *electronic documents* which a *party* must *Digitally Sign* to complete the *electronic transaction* are *populated* and *Digitally Signed*;
4.11.2 all certifications required by the *ECNL* are properly given; and
4.11.3 they do everything else in the *Electronic Workspace* which that *party* must do to enable the *electronic transaction* to proceed to completion.
4.12 If the computer systems of any of the *Land Registry*, the *ELNO,* Revenue NSW or the Reserve Bank of Australia are inoperative for any reason at the *completion time* agreed by the *parties*, a failure to complete this contract for that reason is not a default under this contract on the part of either *party*.

DAVID SMARRICK VILLE NSW 2017

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

4.13 If the computer systems of the *Land Registry* are inoperative for any reason at the *completion time* agreed by the *parties,* and the *parties* choose that financial settlement is to occur despite this, then on financial settlement occurring –

4.13.1 all *electronic documents Digitally Signed* by the vendor and any discharge of mortgage, withdrawal of caveat or other *electronic document* forming part of the *Lodgment Case* for the *electronic transaction* are taken to have been unconditionally and irrevocably delivered to the purchaser or the purchaser's mortgagee at the time of financial settlement together with the right to deal with the land; and

4.13.2 the vendor is taken to have no legal or equitable interest in the *property*.

4.14 If the *parties* do not agree about the delivery before completion of one or more documents or things that cannot be delivered through the *Electronic Workspace*, the *party* required to deliver the documents or things –

4.14.1 holds them on completion in escrow for the benefit of; and

the *party* entitled to them.

5 Requisitions

5.1 If a form of *requisitions* is attached to this contract, the purchaser is taken to have made those *requisitions*.

5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by *serving* it –

5.2.1 if it arises out of this contract or it is a general question about the *property* or title - *within* 21 days after the contract date;

5.2.2 if it arises out of anything *served* by the vendor - *within* 21 days after the later of the contract date and that *service*; and

5.2.3 in any other case - *within* a reasonable time.

6 Error or misdescription

6.1 *Normally*, the purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).

6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.

6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

Normally, the purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

7.1 the vendor can *rescind* if in the case of claims that are not claims for delay –

7.1.1 the total amount claimed exceeds 5% of the price;

7.1.2 the vendor *serves* notice of intention to *rescind*; and

7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and

7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed –

7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;

7.2.2 the amount held is to be invested in accordance with clause 2.9;

7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);

7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;

7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and

7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

8 Vendor's rights and obligations

8.1 The vendor can *rescind* if –

8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;

8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and

8.1.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service*.

8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can *terminate* by *serving* a notice. After the *termination* –
- 8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract;
- 8.2.2 the purchaser can sue the vendor to recover damages for breach of contract; and
- 8.2.3 if the purchaser has been in possession a *party* can claim for a reasonable adjustment.

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can –

9.1 keep or recover the deposit (to a maximum of 10% of the price);

9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause –
- 9.2.1 for 12 months after the *termination*; or
- 9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and

9.3 sue the purchaser either –
- 9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover –
  - the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
  - the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or
- 9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

10.1 The purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of –
- 10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;
- 10.1.2 a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* ('service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);
- 10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;
- 10.1.4 any change in the *property* due to fair wear and tear before completion;
- 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
- 10.1.6 a condition, exception, reservation or restriction in a Crown grant;
- 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
- 10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
- 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).

10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.

10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.

11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

The vendor must do whatever is reasonably necessary to enable the purchaser, subject to the rights of any tenant –

12.1 to have the *property* inspected to obtain any certificate or report reasonably required;

12.2 to apply (if necessary in the name of the vendor) for –
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and

12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.

13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.

13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7), the *party* must adjust or pay on completion any GST added to or included in the expense, but –

13.3.1 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and

13.3.2 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.

13.4 If this contract says this sale is the supply of a going concern –

13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;

13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;

13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –

- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
- if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and

13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.

13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.

13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.

13.7 If this contract says the sale is not a taxable supply –

13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and

13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –

- a breach of clause 13.7.1; or
- something else known to the purchaser but not the vendor.

13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

13.8.1 this sale is not a taxable supply in full; or

13.8.2 the margin scheme applies to the *property* (or any part of the *property*).

13.9 If this contract says this sale is a taxable supply to an extent –

13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and

13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.

13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.

13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.

13.13 If the vendor *serves* details of a *GSTRW payment* which the purchaser must make, the purchaser does not have to complete earlier than 5 *business days* after that *service* and clause 21.3 does not apply to this provision.

13.14 If the purchaser must make a *GSTRW payment* the purchaser must, at least 2 *business days* before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under either clause 4.8 or clause 30.4 has been given, by the transferee named in the transfer the subject of that direction.

14 Adjustments

14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.

14.2 The *parties* must make any necessary adjustment on completion, and –

14.2.1 the purchaser must provide the vendor with *adjustment figures* at least 2 *business days* before the date for completion; and

14.2.2 the vendor must confirm the *adjustment figures* at least 1 *business day* before the date for completion.

14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.

14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –

14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;

14.4.2 by adjusting the amount that would have been payable if at the start of the year –

- the person who owned the land owned no other land;
- the land was not subject to a special trust or owned by a non-concessional company; and
- if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.

14.5 The *parties* must not adjust any first home buyer choice property tax.

14.6 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.

14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.

14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The *parties* must complete by the date for completion and, if they do not, a *party* can *serve* a notice to complete if that *party* is otherwise entitled to do so.

16 Completion

● Vendor

16.1 *Normally*, on completion the vendor must cause the legal title to the *property* (being the estate disclosed in this contract) to pass to the purchaser free of any charge, mortgage or other interest, subject to any necessary registration.

16.2 The legal title to the *property* does not pass before completion.

16.3 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser.

16.4 If a *party serves* a land tax certificate showing a charge on any of the land, by completion the vendor must do all things and pay all money required so that the charge is no longer effective against the land.

● Purchaser

16.5 On completion the purchaser must pay to the vendor –

16.5.1 the price less any –

- deposit paid;
- *FRCGW remittance* payable;
- *GSTRW payment*; and
- amount payable by the vendor to the purchaser under this contract; and

16.5.2 any other amount payable by the purchaser under this contract.

16.6 If any of the deposit is not covered by a *deposit-bond*, at least 1 *business day* before the date for completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit, to be held by the vendor in escrow until completion.

16.7 On completion the deposit belongs to the vendor.

17 Possession

17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.

17.2 The vendor does not have to give vacant possession if –

17.2.1 this contract says that the sale is subject to existing tenancies; and

17.2.2 the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).

17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Schedule 2, Part 7 of the Residential Tenancies Act 2010).

18 Possession before completion

18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.

18.2 The purchaser must not before completion –

18.2.1 let or part with possession of any of the *property*;

18.2.2 make any change or structural alteration or addition to the *property;* or

18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.

18.3 The purchaser must until completion –

18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and

18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.

18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.

18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –

18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and

18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.

18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.

18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

19 Rescission of contract

19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right –

19.1.1 only by *serving* a notice before completion; and

19.1.2 in spite of any making of a claim or *requisition*, any attempt to satisfy a claim or *requisition*, any arbitration, litigation, mediation or negotiation or any giving or taking of possession.

19.2 *Normally*, if a *party* exercises a right to *rescind* expressly given by this contract or any *legislation* –

19.2.1 the deposit and any other money paid by the purchaser under this contract must be refunded;

19.2.2 a *party* can claim for a reasonable adjustment if the purchaser has been in possession;

19.2.3 a *party* can claim for damages, costs or expenses arising out of a breach of this contract; and

19.2.4 a *party* will not otherwise be liable to pay the other *party* any damages, costs or expenses.

20 Miscellaneous

20.2 Anything attached to this contract is part of this contract.

20.3 An area, bearing or dimension in this contract is only approximate.

20.4 If a *party* consists of 2 or more persons, this contract benefits and binds them separately and together.

20.5 A *party's solicitor* can receive any amount payable to the *party* under this contract or direct in writing that it is to be paid to another person.

20.6 A document under or relating to this contract is –

20.6.1 signed by a *party* if it is signed by the *party* or the *party's solicitor* (apart from a direction under clause 4.8 or clause 30.4);

20.6.2 *served* if it is *served* by the *party* or the *party's solicitor*;

20.6.3 *served* if it is *served* on the *party's solicitor*, even if the *party* has died or any of them has died;

20.6.8 *served* if it is provided to or by the *party's solicitor* or an *authorised Subscriber* by means of an *Electronic Workspace* created under clause 4. However, this does not apply to a notice making an obligation essential, or a notice of *rescission* or *termination*.

20.7 An obligation to pay an expense of another *party* of doing something is an obligation to pay –

20.7.1 if the *party* does the thing personally - the reasonable cost of getting someone else to do it; or

20.7.2 if the *party* pays someone else to do the thing - the amount paid, to the extent it is reasonable.

20.8 Rights under clauses 4, 11, 13, 14, 17, 24, 30 and 31 continue after completion, whether or not other rights continue.

20.9 The vendor does not promise, represent or state that the purchaser has any cooling off rights.

20.10 The vendor does not promise, represent or state that any attached survey report is accurate or current.

20.11 A reference to any *legislation* (including any percentage or rate specified in *legislation*) is also a reference to any corresponding later *legislation*.

21 Time limits in these provisions
21.1 If the time for something to be done or to happen is not stated in these provisions, it is a reasonable time.
21.2 If there are conflicting times for something to be done or to happen, the latest of those times applies.
21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.
21.4 If the time for something to be done or to happen is the 29th, 30th or 31st day of a month, and the day does not exist, the time is instead the last day of the month.
21.5 If the time for something to be done or to happen is a day that is not a *business day*, the time is extended to the next *business day*, except in the case of clauses 2 and 3.2.

22.2 This promise is essential and a breach of it entitles the vendor to *terminate*.

23 Strata or community title
● Definitions and modifications
23.1 This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).

23.2.1 'change', in relation to a scheme, means –
- a registered or registrable change from by-laws set out in this contract;

- a change in the boundaries of common property;

23.2.2 'common property' includes association property for the scheme or any higher scheme;

- normal expenses;
- due to fair wear and tear;
- disclosed in this contract; or

23.3 Clauses 11, 14.8 and 18.4 do not apply to an obligation of the owners corporation, or to property insurable by it.
23.4 Clauses 14.4.2 and 14.6 apply but on a unit entitlement basis instead of an area basis.
● Adjustments and liability for expenses
23.5 The *parties* must adjust under clause 14.1 –
23.5.1 a regular periodic contribution;
23.5.2 a contribution which is not a regular periodic contribution but is disclosed in this contract; and

GRAND ST MARRICKVILLE NSW 2204

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

23.6 If a contribution is not a regular periodic contribution and is not disclosed in this contract –
23.6.1 the vendor is liable for it if it was determined on or before the contract date, even if it is payable by instalments; and
23.6.2 the purchaser is liable for all contributions determined after the contract date.
23.7 The vendor must pay or allow to the purchaser on completion the amount of any unpaid contributions for which the vendor is liable under clause 23.6.1.
23.8 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of –
23.8.1 an existing or future actual, contingent or expected expense of the owners corporation;
23.8.2 a proportional unit entitlement of the lot or a relevant lot or former lot, apart from a claim under clause 6; or
23.8.3 a past or future change in the scheme or a higher scheme.
23.9 However, the purchaser can *rescind* if –
23.9.1 the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;
23.9.2 in the case of the lot or a relevant lot or former lot in a higher scheme, a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion;
23.9.3 a change before the contract date or before completion in the scheme or a higher scheme materially prejudices the purchaser and is not disclosed in this contract; or
23.9.4 a resolution is passed by the owners corporation before the contract date or before completion to give to the owners in the scheme for their consideration a strata renewal plan that has not lapsed at the contract date and there is not attached to this contract a strata renewal proposal or the strata renewal plan.

● Notices, certificates and inspections

23.10 Before completion, the purchaser must *serve* a copy of an interest notice addressed to the owners corporation and signed by the purchaser.
23.11 After completion, the purchaser must insert the date of completion in the interest notice and send it to the owners corporation.
23.12 The vendor can complete and send the interest notice as agent for the purchaser.
23.13 The vendor must *serve* at least 7 days before the date for completion, an information certificate for the lot, the scheme or any higher scheme which relates to a period in which the date for completion falls.
23.14 The purchaser does not have to complete earlier than 7 days after *service* of the information certificate and clause 21.3 does not apply to this provision. On completion the purchaser must pay the vendor the prescribed fee for the information certificate.
23.15 The vendor authorises the purchaser to apply for the purchaser's own information certificate.
23.16 The vendor authorises the purchaser to apply for and make an inspection of any record or other document in the custody or control of the owners corporation or relating to the scheme or any higher scheme.

● Meetings of the owners corporation

23.17 If a general meeting of the owners corporation is convened before completion –
23.17.1 if the vendor receives notice of it, the vendor must immediately notify the purchaser of it; and

Notwithstanding anything herein contained, if a party exercises a right to rescind expressly given by the Contract or any legislation, that party shall have no claim for damages, costs or expenses and the right of rescission shall be the only remedy.

51. Guarantee for Corporate Purchaser

It is an essential condition of this Contract that the Purchaser, if a company, must deliver to the Vendor a guarantee in the form of the Director's Guarantee, a copy of which is annexed duly executed by the directors and by the principal shareholders of the Purchaser within two business days of request by the Vendor.

GUARANTOR:

In consideration of the Vendor contracting with the corporate Purchaser, the Guarantor, as is evidenced by the Guarantor's execution hereof, guarantee the performance by the Purchaser of all of the Purchaser's obligations under the Contract and indemnify the Vendor against any cost or loss whatsoever arising as a result of the default by the Purchaser in performing its obligations under this Contract for whatever reason. The Vendor may seek to recover any loss from the Guarantor before seeking recovery from the Purchaser and any settlement or compromise with the Purchaser will not release the Guarantor from the obligation to pay any balance that may be owing to the Vendor. If the Occupation Certificate is not issued by the Sunset Date, then either party may rescind this contract by notice in writing served on the other party at any time after the Sunset Date and before the issue of the Occupation Certificate.

56.6 Deposit on Rescission

If this contract is rescinded pursuant to this condition, the deposit must be refunded to the purchaser in full and neither party will have any claim against the other arising out of that rescission, except in respect of any antecedent breach.

1. Conditions of sale of land by auction

Consumer Building Guide

Mandatory information for consumers

November 2025

Builders and tradespeople must give you a copy of this guide before entering into a contract for residential building work that costs more than $5,000. Read this guide to help protect your rights, carry out your responsibilities and support your building project.

Protecting consumers under home building laws

Building Commission NSW is the NSW Government agency regulating residential building work (including building or trade work on single dwellings, villas, houses and home units) under the *Home Building Act 1989*.

What to consider before work starts

Licensing requirements include:

- tradespeople and builders carrying out residential building work valued at more than $5,000 must be licensed by Building Commission NSW (check a licence on the **Public Register** or by calling 13 27 00)
- regardless of the work's cost, a licence is always required for specialist work (like plumbing, air conditioning and refrigeration, electrical work and gasfitting)
- if the work requires more than one tradesperson, you need a builder to manage the building project and co-ordinate the tradespeople, such as plumbers, painters and carpenters.

Home Building Compensation Scheme

The State Insurance Regulatory Authority (SIRA) regulates home building compensation (HBC) cover in NSW. HBC cover is required where work is worth more than $20,000 (including labour and materials).

The builder or tradesperson must give you evidence of HBC cover before they start work on your project or you pay them any money, including a deposit. For more information or to check the validity of your cover, visit **sira.nsw.gov.au** or call 13 74 72.

Approvals

To help your building project go smoothly:

- check with your local council or an accredited private certifier on approvals your building work needs
- engage a building certifier. This is your responsibility, not the builder´s.

Contracts and payments

All contracts must be in writing. The two main contract types are:

- **fixed price or lump sum** - where the builder or tradesperson agrees upfront to a fixed amount for the whole job. Unforeseen changes during construction may affect the final cost
- **cost plus contract** - there is no guaranteed final cost for the job (often this contract is usedwhere the project's nature prevents the final cost from being calculated). The consumer repays the builder for verified direct and indirect costs and fees at regular intervals. It is good practice for the builder to give a non-binding estimate before starting, and track costs with you against the project's budgeted estimate.

Residential building work **worth less than $20,000** must be done under a 'small jobs' contract. The written contract must be dated and signed by, or on behalf of, each party. It may specify that work be paid for at regular intervals. It must contain:

- the parties' names, including the name of the holder of the contractor licence as shown on the contractor licence
- the number of the contractor licence
- a description of the work
- any plans or specifications for the work, and
- the contract price, if known.

Residential building contracts and contracts for specialist work valued at more than $5,000, which require a certifier, must (unless you are a developer) include terms about your freedom to choose your own certifier. The contractor must also give you prescribed information about certifiers, published by Building Commission NSW, before entering into a contract.

It is an offence for a contractor to unduly influence your choice of a certifier or object to your choice. Examples of undue influence include:

- making it a requirement of the contract that a specified certifier or class of certifier is or isn't appointed
- offering to change the contract price if a specified certifier or class of certifier is or isn't appointed
- refusing to carry out work under the contract if a specified certifier or class of certifier is or isn't appointed.

Residential building contracts regarding work worth more than $20,000 requires a full home building contract. As well as all of the requirements of the 'small jobs' contract, it must include other comprehensive information such as the details of the statutory warranties the builder must provide, the cost of any applicable HBC cover and the contract price or warning that the contract price is not known. The contract must also include a checklist prescribed by Building Commission NSW. Find a **complete list of contract requirements** on our website.

All contracts over $20,000 in value must have a progress payment schedule. Progress payments must match the work carried out and, for cost plus contracts, be supported by receipts or other verifying documents.

Any change you need to make to a contract is a 'variation'. **Variations must be in writing** and be signed by both parties to the contract. Almost all will impact the contract price.

The maximum deposit you can be asked to pay before work starts is 10%.

Common traps and tricks

Beware of:

- an extremely low quote compared with others. This may indicate the job's quality is being compromised, or that the builder may not fully understand what is required
- 'sales pitches' putting pressure on you to sign a contract quickly to avoid a price increase
- a builder who recommends you get an owner-builder permit while they organise all the building work. The builder may be trying to avoid responsibility and may not have the right kind of licence or HBC cover.

When things go wrong

Statutory warranties

Builders and tradespeople must guarantee that their work is fit-for-purpose, performed diligently and delivered in a reasonable timeframe, in line with the contract. Unless otherwise specified, materials should be new and appropriately used. These warranties are time-limited: legal proceedings to enforce them must be commenced within 6 years for major defects and 2 years for all other defects. There is another 6 months for both warranty periods if the defect only became apparent after 18 months or 5 and a half years. Find out more about these warranties on our website.

Resolving a dispute with your builder or tradesperson

These steps can help you resolve a dispute:

- **you must notify your builder or tradesperson** and discuss concerns as soon as you become aware of a problem. Follow up with an email or letter
- **understand acceptable work standards** by downloading the Guide to Standards and Tolerances from our website
- contact Building Commission NSW for **free dispute resolution** if you and your builder or tradesperson are unable to resolve the dispute
- lodge a claim with the **NSW Civil and Administrative Tribunal (NCAT)** if you remain unsatisfied with the dispute resolution outcome protect your rights under the **HBC Scheme**: contact your insurer or provider as soon as you become aware of defective or incomplete work.
