Indicative selling price	$765,000

Seller’s reserve price (if property is to be sold by auction or fixed-date sale)

Comparable property sales

Insert the three most comparable properties sold within five kilometres in the last 18 months (or fewer if fewer than three qualifying sales exist). Include address, date of sale, sale price and key features.

Comparable address	Sale date	Sale price	Building type	Beds	Baths	Cars / land / floor area

Reason there are fewer than three comparable properties

Fewer than three qualifying comparable sales?	[Agent to select and explain if applicable]
Explanation	The subject property presents a distinctive combination of features, including a swimming pool, established gardens, solar panels and a lined double garage. While recent sales within Avenel provide general market guidance, no directly comparable sales have been identified that adequately reflect the property's overall features, presentation and offering. Accordingly, the assessment has been based on the available local sales evidence, with consideration given to the subject property's individual attributes.

Sale outcome

The sale price must be included within seven days after the sale becomes unconditional, unless an exemption is pending or has been granted.

Sale price	[Agent to complete after unconditional sale]
Unconditional sale date	[Agent to complete]
