7. IDENTITY OF THE LAND

7.1 An omission or mistake in the description of the property or any deficiency in the area, description or measurements of the land does not invalidate the sale.

7.2 The purchaser may not:

(a) make any objection or claim for compensation for any alleged misdescription of the property or any deficiency in its area or measurements; or

(b) require the vendor to amend title or pay any cost of amending title.

8. SERVICES

8.1 The vendor does not represent that the services are adequate for the purchaser's proposed use of the property and the vendor advises the purchaser to make appropriate inquiries. The condition of the services may change between the day of sale and settlement and the vendor does not promise that the services will be in the same condition at settlement as they were on the day of sale.

8.2 The purchaser is responsible for the connection of all services to the property after settlement and the payment of any associated cost.

9. CONSENTS

The vendor must obtain any necessary consent or licence required for the vendor to sell the property. The contract will be at an end and all money paid must be refunded if any necessary consent or licence is not obtained by settlement.

10. TRANSFER & DUTY

10.1 The purchaser must prepare and deliver to the vendor at least 7 days before the due date for settlement any paper transfer of land document which is necessary for this transaction. The delivery of the transfer of land document is not acceptance of title.

10.2 The vendor must promptly initiate the Duties on Line or other form required by the State Revenue Office in respect of this transaction, and both parties must co-operate to complete it as soon as practicable.

11. RELEASE OF SECURITY INTEREST

11.1 This general condition applies if any part of the property is subject to a security interest to which the *Personal Property Securities Act* 2009 (Cth) applies.

11.2 For the purposes of enabling the purchaser to search the Personal Property Securities Register for any security interests affecting any personal property for which the purchaser may be entitled to a release, statement, approval or correction in accordance with general condition 11.4, the purchaser may request the vendor to provide the vendor's date of birth to the purchaser. The vendor must comply with a request made by the purchaser under this condition if the purchaser makes the request at least 21 days before the due date for settlement.

11.3 If the purchaser is given the details of the vendor's date of birth under condition 11.2, the purchaser must

(a) only use the vendor's date of birth for the purposes specified in condition 11.2; and

(b) keep the date of birth of the vendor secure and confidential.

11.4 The vendor must ensure that at or before settlement, the purchaser receives –

(a) a release from the secured party releasing the property from the security interest; or

(b) a statement in writing in accordance with section 275(1)(b) of the *Personal Property Securities Act* 2009 (Cth) setting out that the amount or obligation that is secured is nil at settlement; or

(c) a written approval or correction in accordance with section 275(1)(c) of the *Personal Property Securities Act* 2009 (Cth) indicating that, on settlement, the personal property included in the contract is not or will not be property in which the security interest is granted.

11.5 Subject to general condition 11.6, the vendor is not obliged to ensure that the purchaser receives a release, statement, approval or correction in respect of personal property -

(a) that –

(i) the purchaser intends to use predominately for personal, domestic or household purposes; and

(ii) has a market value of not more than $5000 or, if a greater amount has been prescribed for the purposes of section 47(1) of the *Personal Property Securities Act* 2009 (Cth), not more than that prescribed amount; or

(b) that is sold in the ordinary course of the vendor's business of selling personal property of that kind.

11.6 The vendor is obliged to ensure that the purchaser receives a release, statement, approval or correction in respect of personal property described in general condition 11.5 if -

(a) the personal property is of a kind that may be described by a serial number in the Personal Property Securities Register; or

(b) the purchaser has actual or constructive knowledge that the sale constitutes a breach of the security agreement that provides for the security interest.

11.7 A release for the purposes of general condition 11.4(a) must be in writing.

11.8 A release for the purposes of general condition 11.4(a) must be effective in releasing the goods from the security interest and be in a form which allows the purchaser to take title to the goods free of that security interest.

11.9 If the purchaser receives a release under general condition 11.4(a) the purchaser must provide the vendor with a copy of the release at or as soon as practicable after settlement.

11.10 In addition to ensuring a release is received under general condition 11.4(a), the vendor must ensure that at or before settlement the purchaser receives a written undertaking from a secured party to register a financing change statement to reflect that release if the property being released includes goods of a kind that are described by serial number in the Personal Property Securities Register.

11.11 The purchaser must advise the vendor of any security interest that is registered on or before the day of sale on the Personal Property Securities Register, which the purchaser reasonably requires to be released, at least 21 days before the due date for settlement.

11.12 The vendor may delay settlement until 21 days after the purchaser advises the vendor of the security interests that the purchaser reasonably requires to be released if the purchaser does not provide an advice under general condition 11.11.

11.13 If settlement is delayed under general condition 11.12, the purchaser must pay the vendor -

(a) interest from the due date for settlement until the date on which settlement occurs or 21 days after the vendor receives the advice, whichever is the earlier; and

(b) any reasonable costs incurred by the vendor as a result of the delay -

as though the purchaser was in default.

11.14 The vendor is not required to ensure that the purchaser receives a release in respect of the land. This general condition 11.14 applies despite general condition 11.1.

11.15 Words and phrases which are defined in the *Personal Property Securities Act* 2009 (Cth) have the same meaning in general condition 11 unless the context requires otherwise.

12. BUILDING WARRANTY INSURANCE

The vendor warrants that the vendor will provide at settlement details of any current builder warranty insurance in the vendor's possession relating to the property if requested in writing to do so at least 21 days before settlement.

13. GENERAL LAW LAND

13.1 The vendor must complete a conversion of title in accordance with section 14 of the *Transfer of Land Act* 1958 before settlement if the land is the subject of a provisional folio under section 23 of that Act.

13.2 The remaining provisions of this general condition 13 only apply if any part of the land is not under the operation of the *Transfer of Land* Act 1958.

13.3 The vendor is taken to be the holder of an unencumbered estate in fee simple in the land if there is an unbroken chain of title starting at least 30 years before the day of sale proving on the face of the documents the ownership of the entire legal and equitable estate without the aid of other evidence.

13.4 The purchaser is entitled to inspect the vendor's chain of title on request at such place in Victoria as the vendor nominates.

13.5 The purchaser is taken to have accepted the vendor's title if:

(a) 21 days have elapsed since the day of sale; and

(b) the purchaser has not reasonably objected to the title or reasonably required the vendor to remedy a defect in the title.

13.6 The contract will be at an end if:

(a) the vendor gives the purchaser a notice that the vendor is unable or unwilling to satisfy the purchaser's objection or

requirement and that the contract will end if the objection or requirement is not withdrawn within 14 days of the giving of the notice; and

(b) the objection or requirement is not withdrawn in that time.

13.7 If the contract ends in accordance with general condition 13.6, the deposit must be returned to the purchaser and neither party has a claim against the other in damages.

13.8 General condition 17.1 [settlement] should be read as if the reference to 'registered proprietor' is a reference to 'owner' in respect of that part of the land which is not under the operation of the *Transfer of Land Act* 1958.

Money

14. DEPOSIT

14.1 The purchaser must pay the deposit:

(a) to the vendor's licensed estate agent; or

(b) if there is no estate agent, to the vendor's legal practitioner or conveyancer; or

(c) if the vendor directs, into a special purpose account in an authorised deposit-taking institution in Victoria specified by the vendor in the joint names of the purchaser and the vendor.

14.2 If the land is sold on an unregistered plan of subdivision, the deposit:

(a) must not exceed 10% of the price; and

(b) must be paid to the vendor's estate agent, legal practitioner or conveyancer and held by the estate agent, legal practitioner or conveyancer on trust for the purchaser until registration of the plan of subdivision.

14.3 The deposit must be released to the vendor if:

(a) the vendor provides particulars, to the satisfaction of the purchaser; that either

(i) there are no debts secured against the property; or

(ii) if there are any debts, the total amount of those debts together with any amounts to be withheld in accordance with general conditions 24 and 25 does not exceed 80% of the sale price; and

(b) at least 28 days have elapsed since the particulars were given to the purchaser under paragraph (a); and

(c) all conditions of section 27 of the *Sale of Land Act* 1962 have been satisfied.

14.4 The stakeholder must pay the deposit and any interest to the party entitled when the deposit is released, the contract is settled, or the contract is ended.

14.5 The stakeholder may pay the deposit and any interest into court if it is reasonable to do so.

14.6 Where the purchaser is deemed by section 27(7) of the *Sale of Land Act* 1962 to have given the deposit release authorisation referred to in section 27(1), the purchaser is also deemed to have accepted title in the absence of any prior express objection to title.

14.7 Payment of the deposit may be made or tendered:

(a) in cash up to $1,000 or 0.2% of the price, whichever is greater; or

(b) by cheque drawn on an authorised deposit-taking institution; or

(c) by electronic funds transfer to a recipient having the appropriate facilities for receipt.

However, unless otherwise agreed:

(d) payments may not be made by credit card, debit card or any other financial transfer system that allows for any chargeback or funds reversal other than for fraud or mistaken payment, and

(e) any financial transfer or similar fees or deductions from the funds transferred, other than any fees charged by the recipient's authorised deposit-taking institution, must be paid by the remitter.

14.8 Payment by electronic transfer is made when cleared funds are received in the recipient's bank account.

14.9 Before the funds are electronically transferred the intended recipient must be notified in writing and given sufficient particulars to readily identify the relevant transaction.

14.10 As soon as the funds have been electronically transferred the intended recipient must be provided with the relevant transaction number or reference details.

14.11 For the purposes of this general condition 'authorised deposit-taking institution' means a body corporate for which an authority under section 9(3) of the *Banking Act 1959* (Cth) is in force.

15. DEPOSIT BOND

15.1 This general condition only applies if the applicable box in the particulars of sale is checked.

15.2 In this general condition "deposit bond" means an irrevocable undertaking to pay on demand an amount equal to the deposit or any unpaid part of the deposit. The issuer and the form of the deposit bond must be satisfactory to the vendor. The deposit bond must have an expiry date at least 45 days after the due date for settlement.

15.3 The purchaser may deliver a deposit bond to the vendor's estate agent, legal practitioner or conveyancer within 7 days after the day of sale.

15.4 The purchaser may at least 45 days before a current deposit bond expires deliver a replacement deposit bond on the same terms and conditions.

15.5 Where a deposit bond is delivered, the purchaser must pay the deposit to the vendor's legal practitioner or conveyancer on the first to occur of:

(a) settlement;

(b) the date that is 45 days before the deposit bond or any replacement deposit bond expires;

(c) the date on which this contract ends in accordance with general condition 35.2 [default not remedied] following breach by the purchaser; and

(d) the date on which the vendor ends this contract by accepting repudiation of it by the purchaser.

15.6 The vendor may claim on the deposit bond without prior notice if the purchaser defaults under this contract or repudiates this contract and the contract is ended. The amount paid by the issuer satisfies the obligations of the purchaser under general condition 15.5 to the extent of the payment.

15.7 Nothing in this general condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract, except as provided in general condition 15.6.

15.8 This general condition is subject to general condition 14.2 [deposit].

16. BANK GUARANTEE

16.1 This general condition only applies if the applicable box in the particulars of sale is checked.

16.2 In this general condition:

(a) "bank guarantee" means an unconditional and irrevocable guarantee or undertaking by a bank in a form satisfactory to the vendor to pay on demand any amount under this contract agreed in writing, and

(b) "bank" means an authorised deposit-taking institution under the *Banking Act 1959* (Cth).

16.3 The purchaser may deliver a bank guarantee to the vendor's legal practitioner or conveyancer.

16.4 The purchaser must pay the amount secured by the bank guarantee to the vendor's legal practitioner or conveyancer on the first to occur of:

(a) settlement;

(b) the date that is 45 days before the bank guarantee expires;

(c) the date on which this contract ends in accordance with general condition 35.2 [default not remedied] following breach by the purchaser; and

(d) the date on which the vendor ends this contract by accepting repudiation of it by the purchaser.

16.5 The vendor must return the bank guarantee document to the purchaser when the purchaser pays the amount secured by the bank guarantee in accordance with general condition 16.4.

16.6 The vendor may claim on the bank guarantee without prior notice if the purchaser defaults under this contract or repudiates this contract and the contract is ended. The amount paid by the bank satisfies the obligations of the purchaser under general condition 16.4 to the extent of the payment.

16.7 Nothing in this general condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract except as provided in general condition 16.6.

16.8 This general condition is subject to general condition 14.2 [deposit].

17. SETTLEMENT

17.1 At settlement:

(a) the purchaser must pay the balance; and

(b) the vendor must:

(i) do all things necessary to enable the purchaser to become the registered proprietor of the land; and

(ii) give either vacant possession or receipt of rents and profits in accordance with the particulars of sale.

17.2 Settlement must be conducted between the hours of 10.00 a.m. and 4.00 p.m. unless the parties agree otherwise.

17.3 The purchaser must pay all money other than the deposit in accordance with a written direction of the vendor or the vendor's legal practitioner or conveyancer.

18. ELECTRONIC SETTLEMENT

18.1 Settlement and lodgment of the instruments necessary to record the purchaser as registered proprietor of the land will be conducted electronically in accordance with the Electronic Conveyancing National Law. This general condition 18 has priority over any other provision of this contract to the extent of any inconsistency.

18.2 A party must immediately give written notice if that party reasonably believes that settlement and lodgment can no longer be conducted electronically. Special condition 18 ceases to apply from when such a notice is given.

18.3 Each party must:

(a) be, or engage a representative who is, a subscriber for the purposes of the Electronic Conveyancing National Law,

(b) ensure that all other persons for whom that party is responsible and who are associated with this transaction are, or engage, a subscriber for the purposes of the Electronic Conveyancing National Law, and

(c) conduct the transaction in accordance with the Electronic Conveyancing National Law.

18.4 The vendor must open the electronic workspace ("workspace") as soon as reasonably practicable and nominate a date and time for settlement. The inclusion of a specific date for settlement in a workspace is not of itself a promise to settle on that date or at that time. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.

18.5 This general condition 18.5 applies if there is more than one electronic lodgment network operator in respect of the transaction. In this general condition 18.5 "the transaction" means this sale and purchase and any associated transaction involving any of the same subscribers.

To the extent that any interoperability rules governing the relationship between electronic lodgement network operators do not provide otherwise:

(a) the electronic lodgment network operator to conduct all the financial and lodgement aspects of the transaction after the workspace locks must be one which is willing and able to conduct such aspects of the transaction in accordance with the instructions of all the subscribers in the workspaces of all the electronic lodgement network operators after the workspace locks;

(b) if two or more electronic lodgment network operators meet that description, one may be selected by purchaser's incoming mortgagee having the highest priority but if there is no mortgagee of the purchaser, the vendor must make the selection.

18.6 Settlement occurs when the workspace records that:

(a) there has been an exchange of funds or value between the exchange settlement account or accounts in the Reserve Bank of Australia of the relevant financial institutions or their financial settlement agents in accordance with the instructions of the parties; or

(b) if there is no exchange of funds or value, the documents necessary to enable the purchaser to become registered proprietor of the land have been accepted for electronic lodgement

18.7 The parties must do everything reasonably necessary to effect settlement:

(a) electronically on the next business day; or

(b) at the option of either party, otherwise than electronically as soon as possible –

if, after the locking of the workspace at the nominated settlement time, settlement in accordance with special condition 18.6 has not occurred by 4.00 pm, or 6.00 pm if the nominated time for settlement is after 4.00 pm.

18.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.

18.9 The vendor must before settlement:

(a) deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,

(b) direct the estate agent to give the keys to the purchaser or the purchaser's nominee on notification of settlement by the vendor, the vendors subscriber or the electronic lodgment network operator,

(c) deliver all other physical documents and items (other than the goods sold by the contract) to which the purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the vendor's subscriber or, if there is no vendor's subscriber, confirm in writing to the purchaser that the vendor holds those documents, items and keys at the vendor's address set out in the contract, and

give, or direct its subscriber to give, all those documents and items and any such keys to the purchaser or the purchaser's nominee on notification by the electronic lodgment network operator of settlement.

19. GST

19.1 The purchaser does not have to pay the vendor any amount in respect of GST in addition to the price if the particulars of sale specify that the price includes GST (if any).

19.2 The purchaser must pay to the vendor any GST payable by the vendor in respect of a taxable supply made under this contract in addition to the price if:

(a) the particulars of sale specify that GST (if any) must be paid in addition to the price; or

(b) GST is payable solely as a result of any action taken or intended to be taken by the purchaser after the day of sale, including a change of use; or

(c) the particulars of sale specify that the supply made under this contract is of land on which a 'farming business' is carried on and the supply (or part of it) does not satisfy the requirements of section 38-480 of the GST Act; or

(d) the particulars of sale specify that the supply made under this contract is of a going concern and the supply (or a part of it) does not satisfy the requirements of section 38-325 of the GST Act.

19.3 The purchaser is not obliged to pay any GST under this contract until a tax invoice has been given to the purchaser.

19.4 If the particulars of sale specify that the supply made under this contract is of land on which a 'farming business' is carried on:

(a) the vendor warrants that the property is land on which a farming business has been carried on for the period of 5 years preceding the date of supply; and

(b) the purchaser warrants that the purchaser intends that a farming business will be carried on after settlement on the property.

19.5 If the particulars of sale specify that the supply made under this contract is a 'going concern':

(a) the parties agree that this contract is for the supply of a going concern; and

(b) the purchaser warrants that the purchaser is, or prior to settlement will be, registered for GST; and

(c) the vendor warrants that the vendor will carry on the going concern until the date of supply.

19.6 If the particulars of sale specify that the supply made under this contract is a 'margin scheme' supply, the parties agree that the margin scheme applies to this contract.

19.7 In this general condition:

(a) 'GST Act' means *A New Tax System (Goods and Services Tax) Act* 1999 (Cth); and

(b) 'GST' includes penalties and interest.

20. LOAN

20.1 If the particulars of sale specify that this contract is subject to a loan being approved, this contract is subject to the lender approving the loan on the security of the property by the approval date or any later date allowed by the vendor.

20.2 The purchaser may end the contract if the loan is not approved by the approval date, but only if the purchaser:

(a) immediately applied for the loan; and

(b) did everything reasonably required to obtain approval of the loan; and

(c) serves written notice ending the contract, together with written evidence of rejection or non-approval of the loan, on the vendor within 2 clear business days after the approval date or any later date allowed by the vendor; and

(d) is not in default under any other condition of this contract when the notice is given.

20.3 All money must be immediately refunded to the purchaser if the contract is ended.

21. BUILDING REPORT

21.1 This general condition only applies if the applicable box in the particulars of sales is checked.

21.2 The purchaser may end this contract within 14 days from the days of sale if the purchaser:

(a) obtains a written report from a registered building practitioner or architect which discloses a current defect in a structure on the land and designates it as a major building defect;

(b) gives the vendor a copy of the report and a written notice ending this contract; and

(c) is not in then in default.

21.3 All money paid must be immediately refunded to the purchaser if the contract ends in accordance with this general condition.

21.4 A notice under this general condition may be served on the vendor's legal practitioner, conveyancer or estate agent even if the estate agent's authority has formally expired at the time of service.

21.5 The registered building practitioner may inspect the property at any reasonable time for the purpose of preparing the report.

22. PEST REPORT

22.1 This general condition only applies if the applicable box in the particulars of sale is checked.

22.2 The purchaser may end this contract within 14 days from the day of sale if the purchaser:

(a) obtains a written report from a pest control operator licensed under Victorian law which discloses a current pest infestation on the land and designates it as a major infestation affecting the structure of a building on the land;

(b) gives the vendor a copy of the report and a written notice ending this contract; and

(c) is not then in default.

22.3 All money paid must be immediately refunded to the purchaser if the contract ends in accordance with this general condition.

22.4 A notice under this general condition may be served on the vendor's legal practitioner, conveyancer or estate agent even if the estate agent's authority has formally expired at the time of service.

22.5 The pest control operator may inspect the property at any reasonable time for the purpose of preparing the report.

23. ADJUSTMENTS

23.1 All periodic outgoings payable by the vendor, and any rent and other income received in respect of the property must be apportioned between the parties on the settlement date and any adjustment paid and received as appropriate.

23.2 The periodic outgoings and rent and other income must be apportioned on the following basis:

(a) the vendor is liable for the periodic outgoings and entitled to the rent and other income up to and including the day of settlement; and

(b) the land is treated as the only land of which the vendor is owner (as defined in the *Land Tax Act* 2005); and

(c) the vendor is taken to own the land as a resident Australian beneficial owner; and

(d) any personal statutory benefit available to each party is disregarded in calculating apportionment.

23.3 The purchaser must provide copies of all certificates and other information used to calculate the adjustments under general condition 23, if requested by the vendor.

24. FOREIGN RESIDENT CAPITAL GAINS WITHHOLDING

24.1 Words defined or used in Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953* (Cth) have the same meaning in this general condition unless the context requires otherwise.

24.2 Every vendor under this contract is a foreign resident for the purposes of this general condition unless the vendor gives the purchaser a clearance certificate issued by the Commissioner under section 14-220 (1) of Schedule 1 to the *Taxation Administration Act* 1953 (Cth). The specified period in the clearance certificate must include the actual date of settlement.

24.3 The remaining provisions of this general condition 24 only apply if the purchaser is required to pay the Commissioner an amount in accordance with section 14-200(3) or section 14-235 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) ("the amount") because one or more of the vendors is a foreign resident, the property has or will have a market value not less than the amount set out in section 14-215 of the legislation just after the transaction, and the transaction is not excluded under section 14-215(1) of the legislation.

24.4 The amount is to be deducted from the vendor's entitlement to the contract consideration. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.

24.5 The purchaser must:

(a) engage a legal practitioner or conveyancer ("representative") to conduct all legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this general condition; and

(b) ensure that the representative does so.

24.6 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests and instructions that the representative must:

(a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition if the sale of the property settles;

(b) promptly provide the vendor with proof of payment; and

(c) otherwise comply, or ensure compliance with, this general condition;

despite:

(d) any contrary instructions, other than from both the purchaser and the vendor; and

(e) any other provision in this contract to the contrary.

24.7 The representative is taken to have complied with the requirements in special condition 24.6 if:

(a) the settlement is conducted through an electronic lodgement network; and

(b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.

24.8 Any clearance certificate or document evidencing variation of the amount in accordance with section 14-235(2) of Schedule 1 to the *Taxation Administration Act 1953* (Cth) must be given to the purchaser at least 5 business days before the due date for settlement.

24.9 The vendor must provide the purchaser with such information as the purchaser requires to comply with the purchaser's obligation to pay the amount in accordance with section 14-200 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). The information must be provided within 5 business days of request by the purchaser. The vendor warrants that the information the vendor provides is true and correct.

24.10 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of late payment of the amount.

25. GST WITHHOLDING

25.1 Words and expressions defined or used in Subdivision 14-E of Schedule 1 to the *Taxation Administration Act* 1953 (Cth) or in *A New Tax System (Goods and Services Tax) Act* 1999 (Cth) have the same meaning in this general condition unless the context requires otherwise. Words and expressions first used in this general condition and shown in italics and marked with an asterisk are defined or described in at least one of those Acts.

25.2 The purchaser must notify the vendor in writing of the name of the recipient of the *supply for the purposes of section 14-255 of Schedule 1 to the *Taxation Administration Act* 1953 (Cth) at least 21 days before the due date for settlement unless

the recipient is the purchaser named in the contract.

25.3 The vendor must at least 14 days before the due date for settlement provide the purchaser and any person nominated by the purchaser under general condition 4 with GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act* 1953 (Cth), and must provide all information required by the purchaser or any person so nominated to confirm the accuracy of the notice.

25.4 The remaining provisions of this general condition 25 apply if the purchaser is or may be required to pay the Commissioner an *amount in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act* 1953 (Cth) because the property is *new residential premise or *potential residential land in either case falling within the parameters of that section, and also if the sale attracts the operation of section 14-255 of the legislation. Nothing in this general condition 25 is to be taken as relieving the vendor from compliance with section 14-255.

25.5 The amount is to be deducted from the vendor's entitlement to the contract *consideration and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act* 1953 (Cth). The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.

25.6 The purchaser must:

(a) engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this general condition; and

(b) ensure that the representative does so.

25.7 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests relating to the payment of the amount to the Commissioner and instructions that the representative must:

(a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition on settlement of the sale of the property;

(b) promptly provide the vendor with evidence of payment, including any notification or other document provided by the purchaser to the Commissioner relating to payment; and

(c) otherwise comply, or ensure compliance, with this general condition;

despite:

(d) any contrary instructions, other than from both the purchaser and the vendor; and

(e) any other provision in this contract to the contrary.

25.8 The representative is taken to have complied with the requirements of general condition 25.7 if:

(a) settlement is conducted through the electronic lodgement network; and

(b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.

25.9 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act* 1953 (Cth), but only if:

(a) so agreed by the vendor in writing; and

(b) the settlement is not conducted through an electronic lodgement network.

However, if the purchaser gives the bank cheque in accordance with this general condition 25.9, the vendor must:

Notes to Certificate - Land Tax

Certificate No: 11904799

Power to issue Certificate

1. Pursuant to section 95AA of the *Taxation Administration Act 1997*, the Commissioner of State Revenue must issue a Property Clearance Certificate (Certificate) to an owner, mortgagee or bona fide purchaser of land who makes an application specifying the land for which the Certificate is sought and pays the application fee.

Amount shown on Certificate

2. The Certificate shows any land tax (including Vacant Residential Land Tax, interest and penalty tax) that is due and unpaid on the land described in the Certificate at the date of issue. In addition, it may show:
   - Land tax that has been assessed but is not yet due,
   - Land tax for the current tax year that has not yet been assessed, and
   - Any other information that the Commissioner sees fit to include, such as the amount of land tax applicable to the land on a single holding basis and other debts with respect to the property payable to the Commissioner.

Land tax is a first charge on land

3. Unpaid land tax (including Vacant Residential Land Tax, interest and penalty tax) is a first charge on the land to which it relates. This means it has priority over any other encumbrances on the land, such as a mortgage, and will continue as a charge even if ownership of the land is transferred. Therefore, a purchaser may become liable for any such unpaid land tax.

Information for the purchaser

4. Pursuant to section 96 of the *Land Tax Act 2005*, if a purchaser of the land described in the Certificate has applied for and obtained a certificate, the amount recoverable from the purchaser by the Commissioner cannot exceed the amount set out in the certificate, described as the "Current Land Tax Charge and Vacant Residential Land Tax Charge" overleaf. A purchaser cannot rely on a Certificate obtained by the vendor.

Information for the vendor

5. Despite the issue of a Certificate, the Commissioner may recover a land tax liability from a vendor, including any amount identified on this Certificate.

Apportioning or passing on land tax to a purchaser

6. A vendor is prohibited from apportioning or passing on land tax including vacant residential land tax, interest and penalty tax to a purchaser under a contract of sale of land entered into on or after 1 January 2024, where the purchase price is less than $10 million (to be indexed annually from 1 January 2025, as set out on the website for Consumer Affairs Victoria).

General information

7. A Certificate showing no liability for the land does not mean that the land is exempt from land tax. It means that there is nothing to pay at the date of the Certificate.

8. An updated Certificate may be requested free of charge via our website, if:
   - The request is within 90 days of the original Certificate's issue date, and
   - There is no change to the parties involved in the transaction for which the Certificate was originally requested.

Notes to Certificate - Commercial and Industrial Property Tax

Certificate No: 11904799

Power to issue Certificate

1. Pursuant to section 95AA of the *Taxation Administration Act 1997,* the Commissioner of State Revenue must issue a Property Clearance Certificate (Certificate) to an owner, mortgagee or bona fide purchaser of land who makes an application specifying the land for which the Certificate is sought and pays the application fee.

Amount shown on Certificate

2. The Certificate shows any commercial and industrial property tax (including interest and penalty tax) that is due and unpaid on the land described in the Certificate at the date of issue.

Australian Valuation Property Classification Code (AVPCC)

3. The Certificate may show one or more AVPCC in respect of land described in the Certificate. The AVPCC shown on the Certificate is the AVPCC allocated to the land in the most recent of the following valuation(s) of the land under the *Valuation of Land Act 1960:*
   - a general valuation of the land;
   - a supplementary valuation of the land returned after the general valuation.
4. The AVPCC(s) shown in respect of land described on the Certificate can be relevant to determine if the land has a qualifying use, within the meaning given by section 4 of the *Commercial and Industrial Property Tax Reform Act 2024* (CIPT Act). Section 4 of the CIPT Act Land provides that land will have a qualifying use if:
   - the land has been allocated one, or more than one, AVPCC in the latest valuation, all of which are in the range 200-499 and/or 600-699 in the Valuation Best Practice Specifications Guidelines (the requisite range);
   - the land has been allocated more than one AVPCC in the latest valuation, one or more of which are inside the requisite range and one or more of which are outside the requisite range, and the land is used solely or primarily for a use described in an AVPCC in the requisite range; or
   - the land is used solely or primarily as eligible student accommodation, within the meaning of section 3 of the CIPT Act.

Commercial and industrial property tax information

5. If the Commissioner has identified that land described in the Certificate is tax reform scheme land within the meaning given by section 3 of the CIPT Act, the Certificate may show in respect of the land:
   - the date on which the land became tax reform scheme land;
   - whether the entry interest (within the meaning given by section 3 of the Duties Act 2000) in relation to the tax reform scheme land was a 100% interest (a whole interest) or an interest of less than 100% (a partial interest); and
   - the date on which the land will become subject to the commercial and industrial property tax.
6. A Certificate that does not show any of the above information in respect of land described in the Certificate does not mean that the land is not tax reform scheme land. It means that the Commissioner has not identified that the land is tax reform scheme land at the date of issue of the Certificate. The Commissioner may identify that the land is tax reform scheme land after the date of issue of the Certificate.

Change of use of tax reform scheme land

7. Pursuant to section 34 of the CIPT Act, an owner of tax reform scheme land must notify the Commissioner of certain changes of use of tax reform scheme land (or part of the land) including if the actual use of the land changes to a use not described in any AVPCC in the range 200-499 and/or 600-699. The notification must be given to the Commissioner within 30 days of the change of use.

Commercial and industrial property tax is a first charge on land

8. Commercial and industrial property tax (including any interest and penalty tax) is a first charge on the land to which the commercial and industrial property tax is payable. This means it has priority over any other encumbrances on the land, such as a mortgage, and will continue as a charge even if ownership of the land is transferred. Therefore, a purchaser may become liable for any unpaid commercial and industrial property tax.

Information for the purchaser

9. Pursuant to section 27 of the CIPT Act, if a bona fide purchaser for value of the land described in the Certificate applies for and obtains a Certificate in respect of the land, the maximum amount recoverable from the purchaser is the amount set out in the Certificate. A purchaser cannot rely on a Certificate obtained by the vendor.

Information for the vendor

10. Despite the issue of a Certificate, the Commissioner may recover a commercial and industrial property tax liability from a vendor, including any amount identified on this Certificate.

Passing on commercial and industrial property tax to a purchaser

11. A vendor is prohibited from apportioning or passing on commercial and industrial property tax to a purchaser under a contract of sale of land entered into on or after 1 July 2024 where the purchase price is less than $10 million (to be indexed annually from 1 January 2025, as set out on the website for Consumer Affairs Victoria).

General information

12. Land enters the tax reform scheme if there is an entry transaction, entry consolidation or entry subdivision in respect of the land (within the meaning given to those terms in the CIPT Act). Land generally enters the reform on the date on which an entry transaction occurs in respect of the land (or the first date on which land from which the subject land was derived (by consolidation or subdivision) entered the reform).
13. The Duties Act includes exemptions from duty, in certain circumstances, for an eligible transaction (such as a transfer) of tax reform scheme land that has a qualifying use on the date of the transaction. The exemptions apply differently based on whether the entry interest in relation to the land was a whole interest or a partial interest. For more information, please refer to www.sro.vic.gov.au/CIPT.
14. A Certificate showing no liability for the land does not mean that the land is exempt from commercial and industrial property tax. It means that there is nothing to pay at the date of the Certificate.
15. An updated Certificate may be requested free of charge via our website, if:
    - the request is within 90 days of the original Certificate's issue date, and
    - there is no change to the parties involved in the transaction for which the Certificate was originally requested.

Windfall gains tax is a first charge on land

Due diligence checklist

What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the Due diligence checklist page on the Consumer Affairs Victoria website (consumer.vic.gov.au/duediligencechecklist).

Urban living

Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

Growth areas

Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

Flood and fire risk

Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

Rural properties

Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?

Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

Soil and groundwater contamination

Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

(04/10/2016)

Land boundaries

Do you know the exact boundary of the property?

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

Planning controls

Can you change how the property is used, or the buildings on it?

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

Are there any proposed or granted planning permits?

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

Safety

Is the building safe to live in?

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

Building permits

Have any buildings or retaining walls on the property been altered, or do you plan to alter them?

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

Are any recent building or renovation works covered by insurance?

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

Utilities and essential services

Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

Buyers' rights

Do you know your rights when buying a property?

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.
