Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

1/743 South Road is the front townhouse of a two-lot development, facing directly onto South Road, a main road with steady traffic throughout the day, including peak hours and school times. As the front home, it has direct exposure to the road, which sets it apart from most townhouses in the area.

We reviewed all four-bedroom, three-bathroom, two-car townhouse sales within 2km over the last six months. Most of these homes sit on quieter side streets. While similar in size and layout, they were not considered similar in location, as buyers in this area place a clear value difference between main-road and side-street homes.

2/181 East Boundary Road also faces a main road, but sits at the outer edge of the 2km area, so it was not considered a

close match.

72 Denver Street was used as the most comparable sale. It is 300m away, in the same East Bentleigh Primary School zone, with the same four-bedroom, three-bathroom, two-car layout, a similar land size and a recent build. Its sale price was taken into account and adjusted to reflect the main-road location of 1/743 South Road.
