Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The property benefits from being brand-new and located within the highly sought-after Oakleigh South Primary School zone. Only two comparable brand-new properties within the same school zone have sold within a 2km radius over the past six months. Due to the limited number of genuinely comparable sales meeting these criteria, a third suitable property could not be selected.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
