Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There are no directly comparable properties available for this property as this is only one of 2 on the block with no body corporate and it is also a double storey. Recent sales in the surrounding area are all either stand alone houses being one on the block, units with more than 2 or single storeys.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
