Important advice about the median sale price

When this Statement of Information was prepared, publicly available information providing median sale prices of residential property in the suburb or locality in which the property offered for sale is situated, and our sales records (if any), did not provide a median sale price that met the requirements of section 47AF (2)(b) of the Estate Agents Act 1980

Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The estate agent or agent's representative reasonably believes that fewer than three comparable properties were sold within five kilometres of the property for sale in the last six months.

Due to the limited number of recent sales within the immediate area, there were insufficient comparable properties available that closely matched the subject property. The available sales considered were not directly comparable due to differences in property characteristics, including variations in the number of bedrooms, land size, dwelling size, condition, improvements, and overall property attributes.

The median sale price information has therefore been considered from the Cudgewa area, as there were insufficient relevant sales within the required timeframe and location to provide a reliable comparison. The market evidence has been reviewed with consideration given to the unique features and characteristics of the property being offered for sale.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
