Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There have been no directly comparable sales within Oakleigh over the past six months involving newly built, rear-positioned townhouses offering four bedrooms and three bathrooms. The comparable sales considered were located on the 2km border for PPS selection and hence were in an inferior location making them no longer comparable. Other sales were reviewed, including 2/19 Voumard Street, which was perceived as a more dated build in comparison. The sale of 2/1231 North Road was also considered; however, the internal size was significantly larger, secondly its position along a major arterial road is a significant drawback for buyers, as demonstrated by feedback received throughout our campaign. These differences were considered when assessing the relevance of each sale.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
