## Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

We reviewed residential sales within 5 km of the property during the preceding 18 months. We were unable to identify any properties that provided a suitable comparison, as there were no other comparable properties featuring a two-storey dwelling on a similar land size. The available sales therefore differed materially from this property in terms of the dwelling configuration and land size. We therefore believe fewer than three comparable properties were sold within the relevant period.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
