Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the limited number of comparable property sales within the immediate area over the past 18 months, fewer than three directly comparable sales have been identified. The sales included have been selected based on their overall similarity to the subject property, taking into consideration factors such as location, property type, and land size.
