TO WHOM IT MAY CONCERN

RE: 44 Brighton Street, Gulliver

Thank you for allowing McGrath Property Management the opportunity to provide you with a rental appraisal for the above-mentioned property.

Based on the current strength in the market and taking comparable rentals into consideration, we believe a realistic rental for would be in the vicinity of **$600 - $650** per week.

Property management should be an enjoyable experience and it's our job at McGrath to ensure your investment journey is just that. Our job is to protect your asset, ensure it's the most profitable it can be and to make it worry free.

At McGrath Townsville we rent properties on average 30 days faster than the Townsville market average, meaning an extra months' rent in our owners' pockets.

Should you have any further questions about this appraisal or our services, please do not hesitate to contact us on the below.

Yours sincerely,
