## Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Flowerdale is a relatively thinly traded property market, with 416 private dwellings recorded in the 2021 ABS Census. With relatively few properties transacting each year, there is a limited pool of recent comparable sales available to reliably assess market value. Accordingly, the price assessment takes into consideration available local sales evidence, together with comparable properties in surrounding areas and the individual characteristics of the property.

## Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
