To Sir/Madam

Property: 3 Clarke Avenue, Warburton

We thank you for the opportunity to appraise the above property and wish to confirm that the current rental market worth is approximately $550.00 per week however will depend on if the property complies with current regulations.

We feel this price could be achieved if the property were to be offered under the current prevailing market conditions.

Our reason for this is that over recent weeks, we have readily leased similar properties at equivalent rents. There has been a considerable demand for well-presented rental properties from prospective tenants, most of who are seeking security of tenure for at least a 12-month period.

Please do not hesitate to contact our office if you have any further queries in this regard or if you require any further assistance.

Yours faithfully
Yarra Valley Rentals Pty Ltd
