Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

I have made 64 Bayview Ave, Rosebud a comparable as its only 100m away and a similar age. The price difference is made up of house size and landscape improvements. There have been no other houses of this size and location sell in the past 6 months that have been on 1 level.
